SANTA MONICA

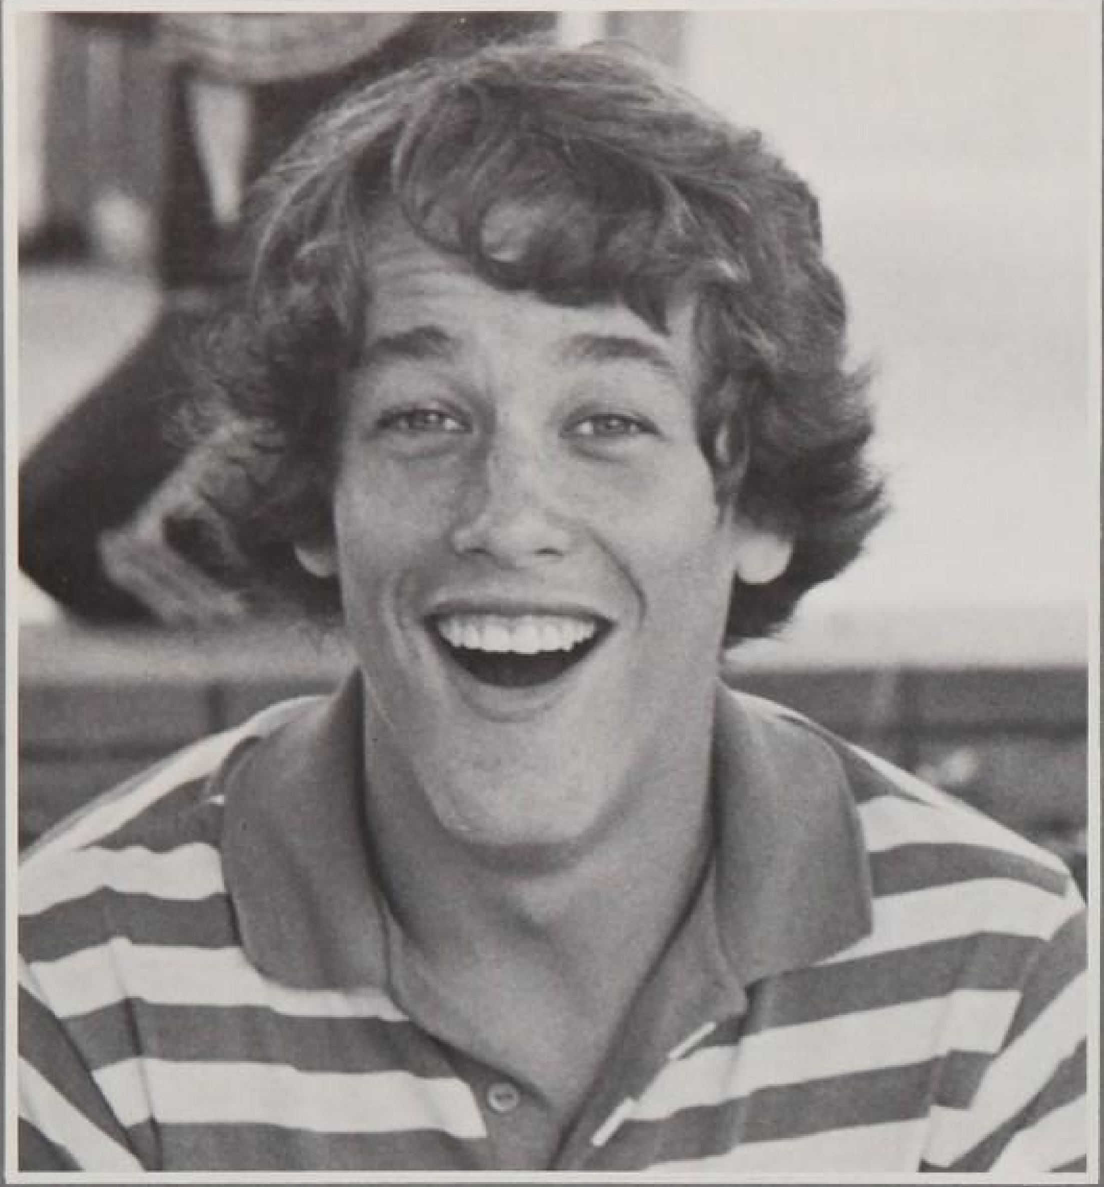
Some people say that the United States is a giant 'salad bowl' of all different types of people. If this is so, then SAMOHI is a mini version of this salad bowl. The variety of people at SAMOHI is incredible. Rich people, poor people, black, white, Chicano, surfers, punk rockers, orientals—they're all here at SAMOHI. Each type of person mixes with the others, yet retains his or her own individuality.

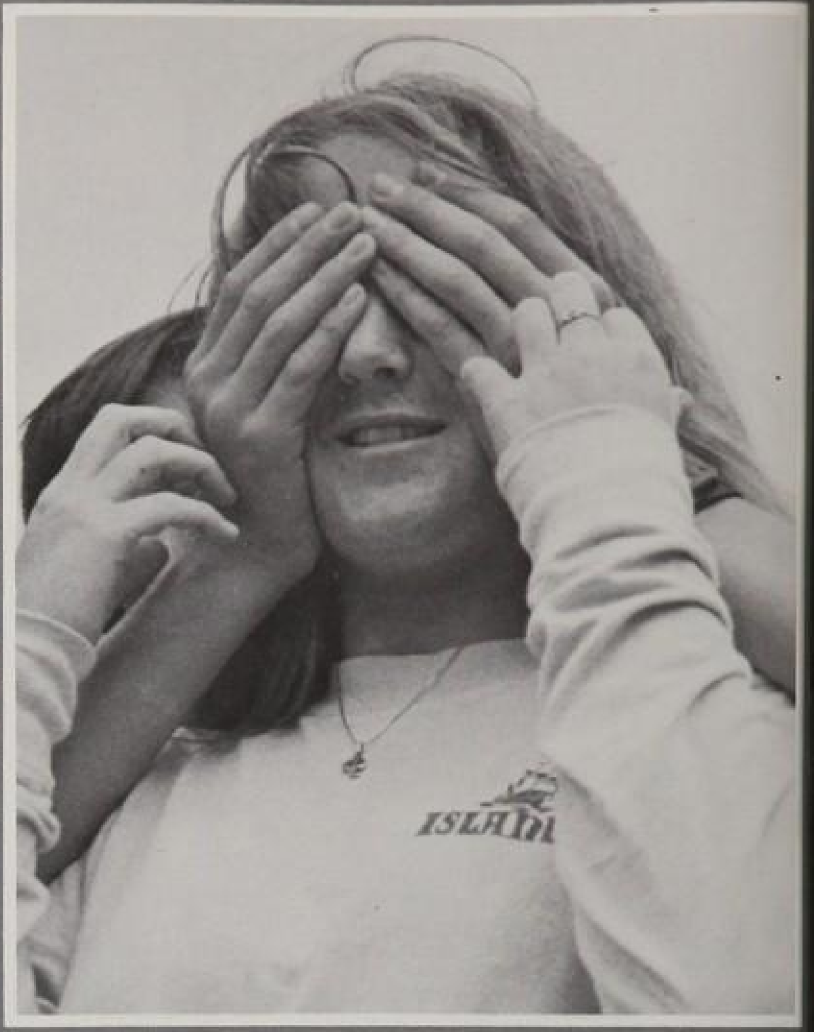
The world at your fingertip. Santa Monica High is like the Olympic games, or a meeting of the United Nations, somebody representing every country in the world. -Neal Newns

...because of the lack of conflicts among the diverse people at SAMOHI we can produce a better generation of people from our school.-Galen Cortina

SAMOHI gives its students the opportunity to associate with an unusually large variety of people. This provides an atmosphere to learn things that can't be taught in a classroom.-Tammy Zam Andrews

The melting pot.Claudia Rivera





SAMOHI is proof that all types of people are compatible and may come together peacefully, to live and learn. -Sean Heyman

You can find all types of people in SAMOHI, who are looking for different things, You can see people who are there just to get an education. Or people who come to SAMOHI just to be with their friends or to watch the "fashion show " which is everyday.-Soroush Manavi

No matter what type of person you are you should be able to fit in, because there are so many different groups.-Lisa Nelson

The private school I attended was academically superior to SAMOHI but going to school with white, upperclass, pampered people is not my idea of a learning experience.-Harry Hartenbaum

It's a good feeling to know that the people around you aren't prejudiced. You see many mixed couples.-Linda Green

I like going out to parties, discos, but this doesn't give me much time to study.-Donald White

Santa Monica High is not just a place for learning how to read and write—it is a place to learn about people. At SAMOHI, everybody melts together to form our school. - Shelly Jenson

In my country we used to wash our hands before to eat a lunch. But here nobody wash their hands. Although it's very uncleanly, I experience it day by day.- Noriko Tamaka

Friendship is only part of the school's customs.- Jaime Peraza

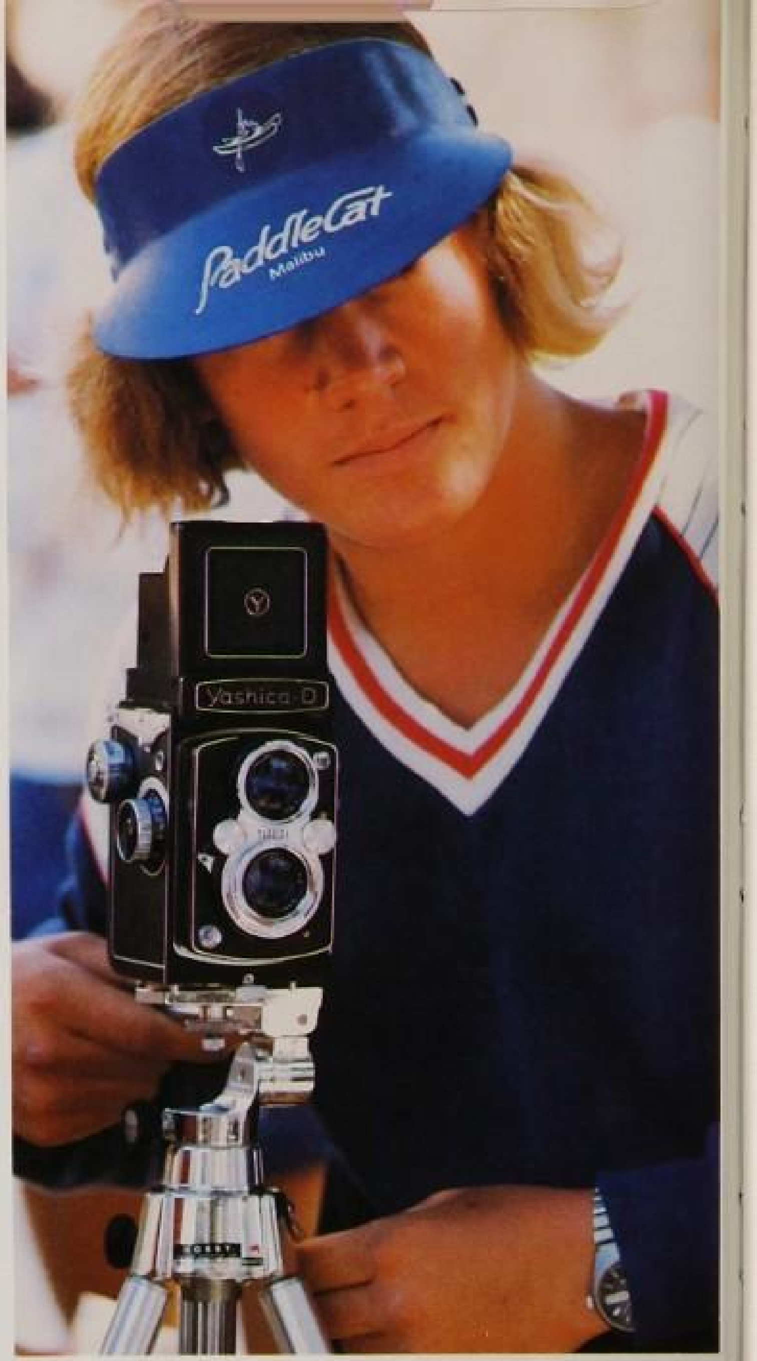
I really appreciate being able to know different people from different countries because of being so secluded in Malibu. I'm glad we had the privilege to come all the way out here because of the social aspect.- Lynn Craig

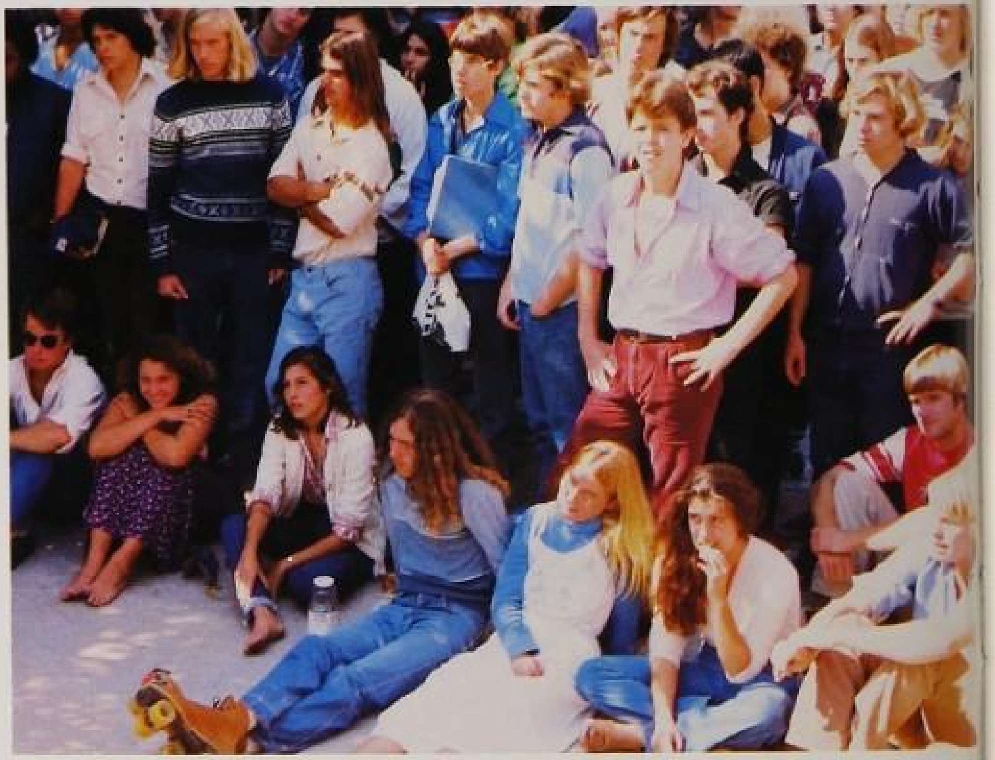
After all we are from one tree.- Nader Nazari

I do have some American friends, but I just don't quite get along too well with them.- Po-Shan-Cheung

Most of the students of this school does not like to be friends with each other.- John Mobasseri

Attending SAMOHI is a unique experience because we learn so much about people with other cultures by interacting with them. We learn to appreciate different backgrounds and lifestyles. -Viana Richman





Soccer is very different from other sports because this is a sport that mostly Mexicans and Europeans play, which give me the chance to know a lot of Mexican and European people and find out their way of life and what they think of us Americans.- Mark Chonlter

I don't get along with American students very well I think because I am a foreign student and they don't really like to talk to me.- Kambiz Fekri

At least we don't have that many gang fights like the ones over at other schools.- Ben Yuan

At SAMOHI people from all races and cultures come together to learn about one another.- Thelma Cory

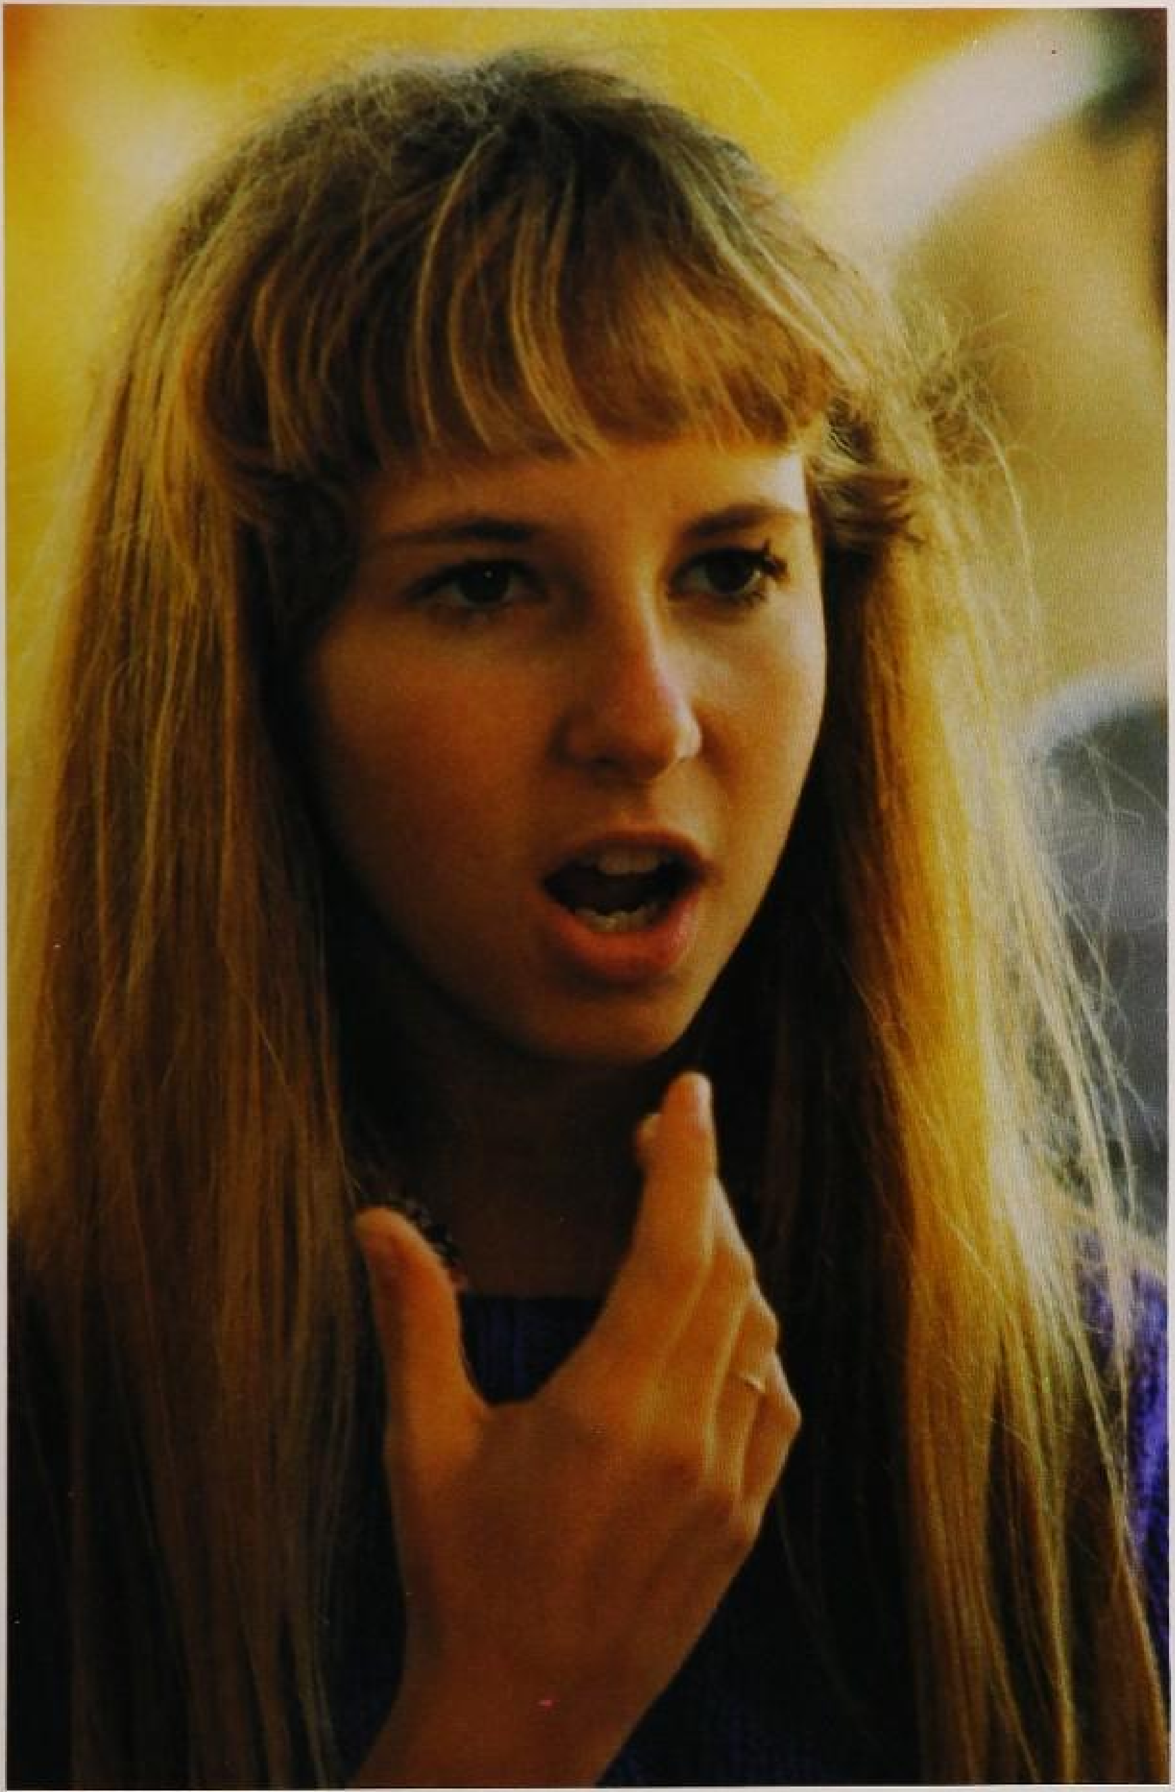
SAMOHI has many sort of elements, and it is interesting which my country's high school doesn't have. Many country's peoples are almost gathering in this school.- Yukiko Nakai

It takes special people to get along with others you don't agree with.- Matt Davies

They work along side by side and help each other. It is an ideal place to gain an education and even more important, a place to gain an understanding of other people.-Cindy Loo

I think it is fantastic that we don't have busing. I know because I've had it before. I don't feel it did anyone any good but it caused a lot of conflict.-Lori Brent

I have had lots of friends in these years that I have been coming to SAMOHI. They have all been different, each in his or her own way.-Alma Gamboa



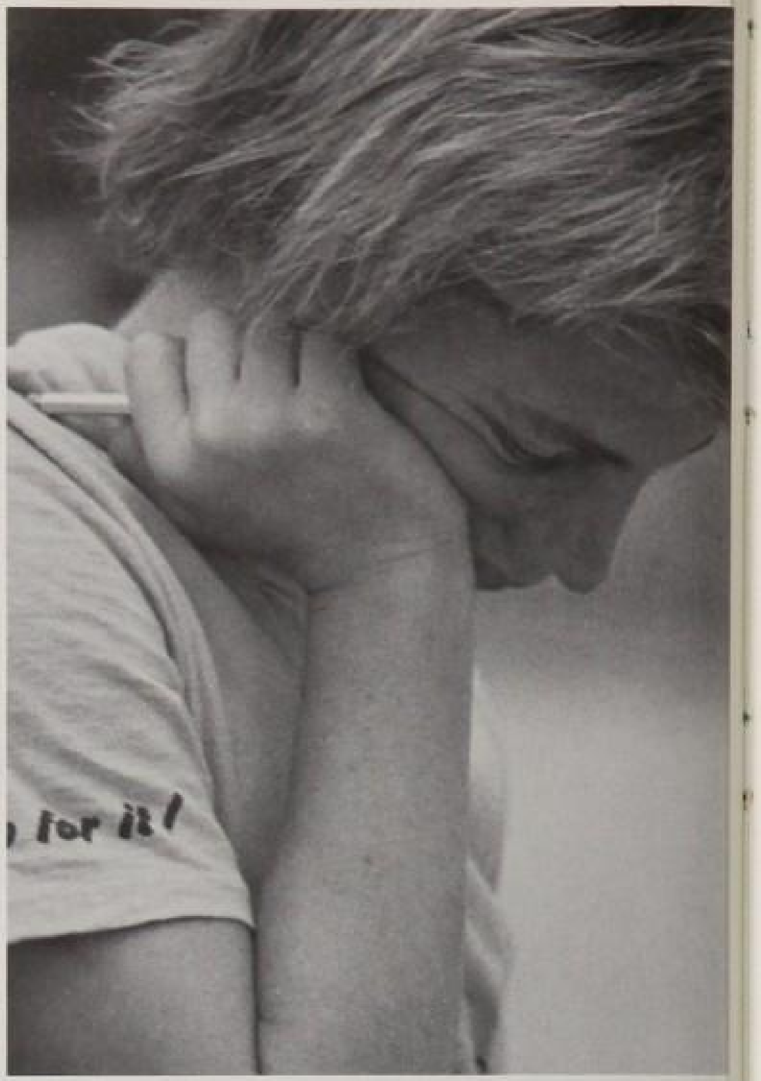
The fact that Samohi doesn't get bussed keeps the students here very close and comfortable with each other and the school itself.-Susi Calabro

Some get together in front of the Roman Inn, or the inn at Santa Monica, and dicuss surfing, the party last Friday, and the party this Friday. Then in the quad the football team will discuss how they beat Palos Verdes last Friday, and the Chicanos will discuss which street to cruise.- Nick Berrisford

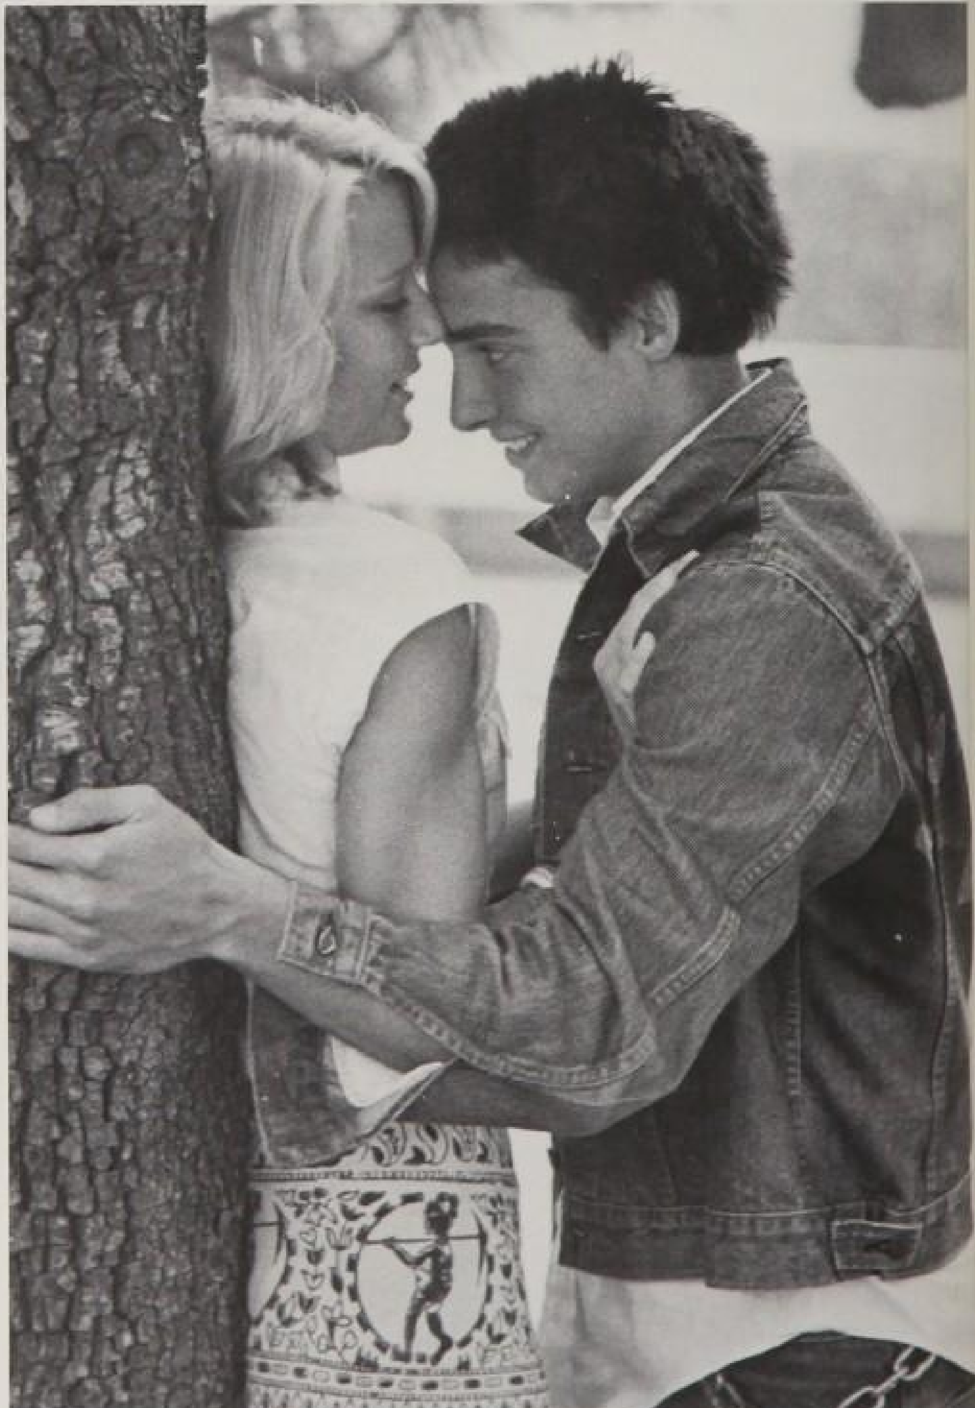
I'll stick around one, but not around a whole group of minorites.- Shawn Bryant

I like surfing. My social life is rather dull at school. This school has already white, black, brown, yellow, and strange students, why do we need to bus anymore?-Mike McCann

fresh Popcorn



for it!



The first day of school I met people of all nationalities and races. I started being friendly to all.- Rebeca Perez

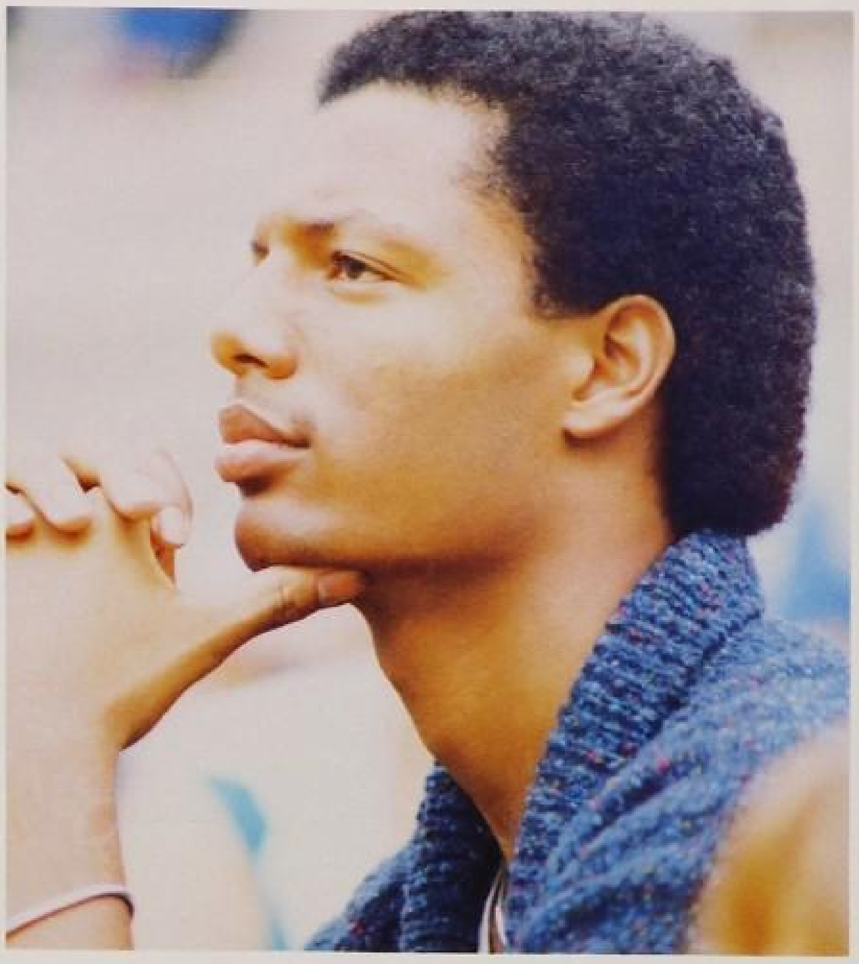
MODS are the future generations. Be something new, anything done different is a rebellion.- Anna Adamoli

I get along with a lot of people from different background like Negros, Chinese, Americans, but I don't get along with punk rockers! - Trino Reynoso

There are people who stay at school for lunch and some that leave grounds. Like me I leave grounds because I like being with people that like to be free.- Dawna Cooley

I wish that everyone would try to enjoy their time at SAMOHI because before you know it, you aren't acting anymore, you are living in reality. These three short years go by so quickly One doesn't realize how good it is at SAMO before you leave.- Fran Lickhalter

Most of the people that I met coming into the 10th grade were through the swimmers I already knew.- Pam Morgan



We get a lot of blacks and chicanos from around Samohi. We also get a lot of whites from the beach and Malibu. I'm sure glad we don't get any geeks from the Valley bussed to this school. Russ Alan Baker

Sometimes I see my surfing buddies, but not at school. They are surfing and I'm not. Surfing is involved with ditching school. Mike Richards

They tend to pal around with others of the same backgrounds. - Tassie Hadlock

''Humans are the same'' I'm glad that Samohi is not in the Bussing Program. If you know anything about school you know that people tend to stay in groups. So even if you do bus people, once they get to their school they're just going to get into their own group. Busing is not going to stop that.- David Scott

Students at Samohi are fortunate to live in the ''real world''.- Sherri Sawaya

I wrestle for Samohi. It affects my social life because all I have time for is homework and eat dinner, then go to bed.- Sidney Ysordia

The Nautilus Staff would like to apologize for any I.D. photos taken and not appearing in the yearbook. Responsibility falls soley on Thompson Photography for their errors.

For the first ten years of school, students think of studying as "something I should do more often". Starting with the junior year, you no longer have a choice.
-Liria Mersini

The Junior year is like being the middle kid of the family, the sophomores being your younger brother getting all the attention, and the seniors, your older sister getting all the advantages.-Kelly Goble

The Advantages of being a junior are that nobody picks on you, and you don't walk around in a daze trying to find your next class.-Cindy Kakalik

The major advantage of being a Junior is that you are 1 year closer to graduating-Anonymous

As a Junior, watch out! Here comes life! Put your best forward and start on your own-Anonymous

We have had an outstanding year! SAMOHI continues to be in the forefront as one of the top high schools in the state.

Our reputation has been achieved by the enthusiasm, dedication and loyalty of our students and staff. I am particularly proud of the variety of curricular and co-curricular activities that have occurred on campus this school year. We have an active and involved Student Body that has made things happen.

I have a deep sense of pride about our school and what we have accomplished. The ''Spirit of SAMOHI'' is working together and this spirit has been a major contributing factor in our successful school program and fine reputation.

A special word of thanks to the Class of 1981. You have worked very hard for SAMOHI during the past three years. Best wishes for your future success and happiness.

Sincerely,

W. Terry Pearson

Homecoming 1980

This year's Homecoming theme ''Odin Goes Western,'' was carried out well throughout the week. There was a barbecue and booths in the quad, among other events. The format of Homecoming was altered slightly this year, bringing excitement and variety to this traditional event. As in past years, there was a pep rally and theme, but instead of the annual float building a motorcade was organized, which began at Samohi and ended at the site of the football game that night. Our Vikings beat the opposing team, making Homecoming a successful event for everyone involved.

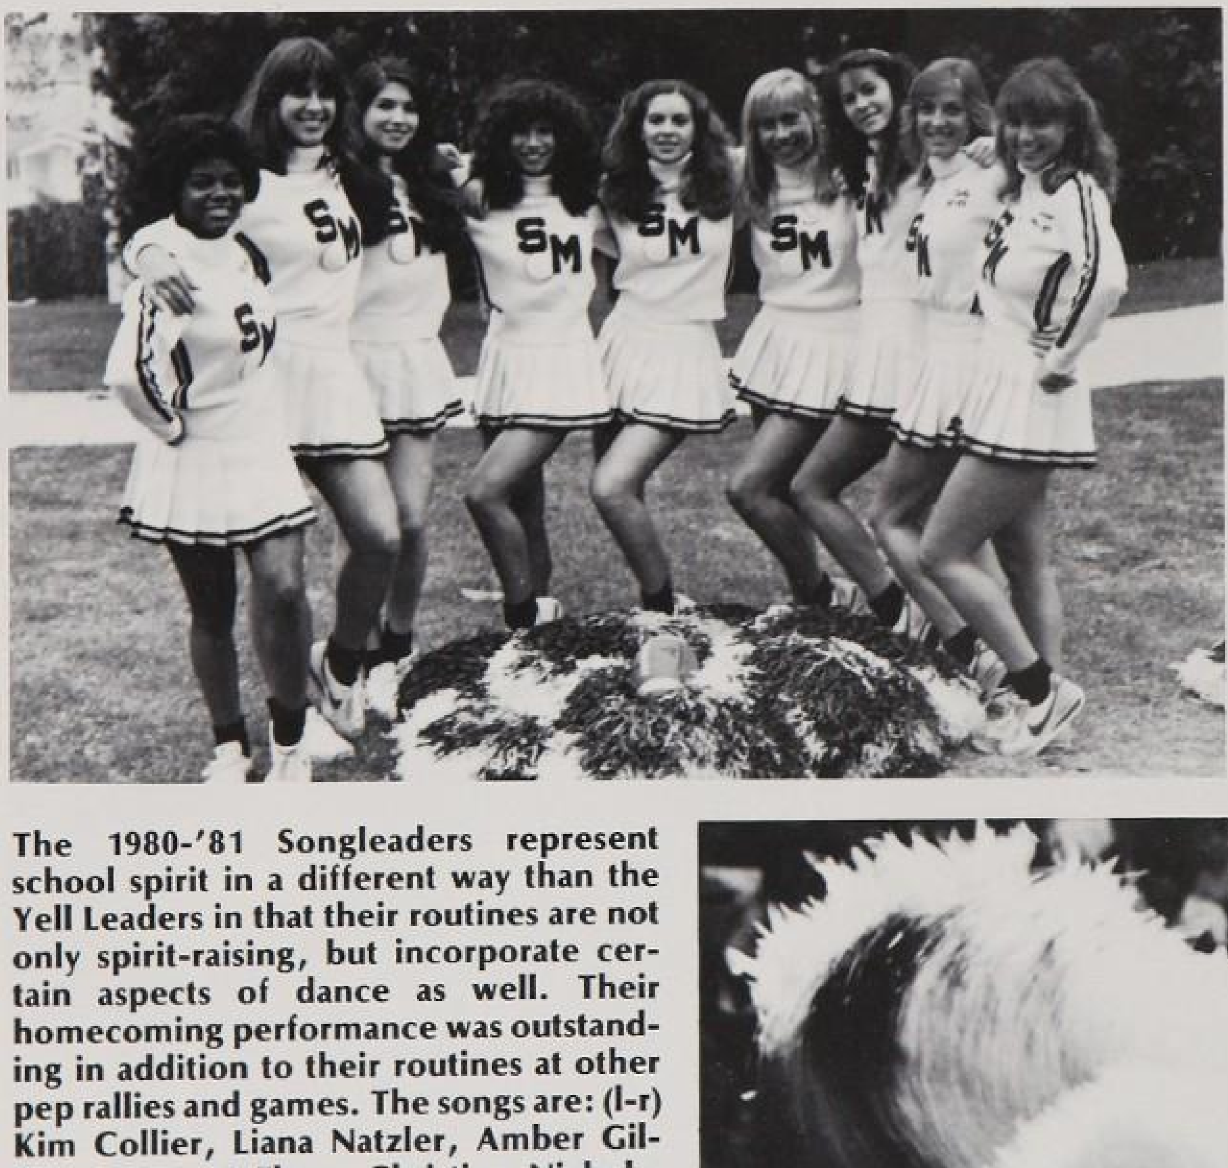
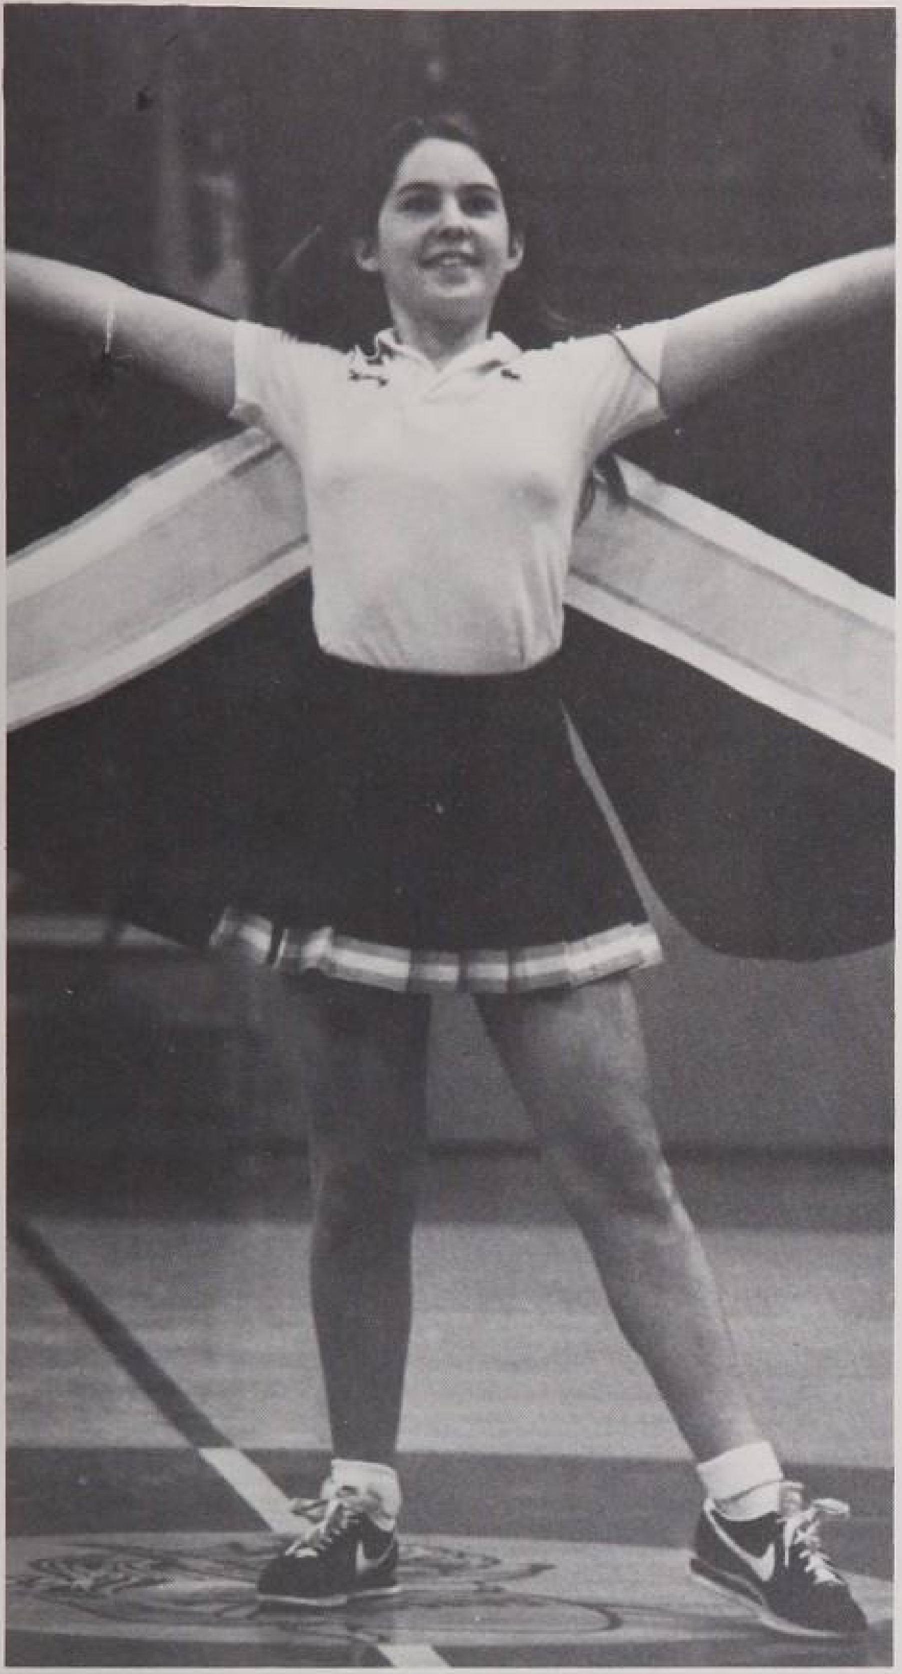
Song Leaders

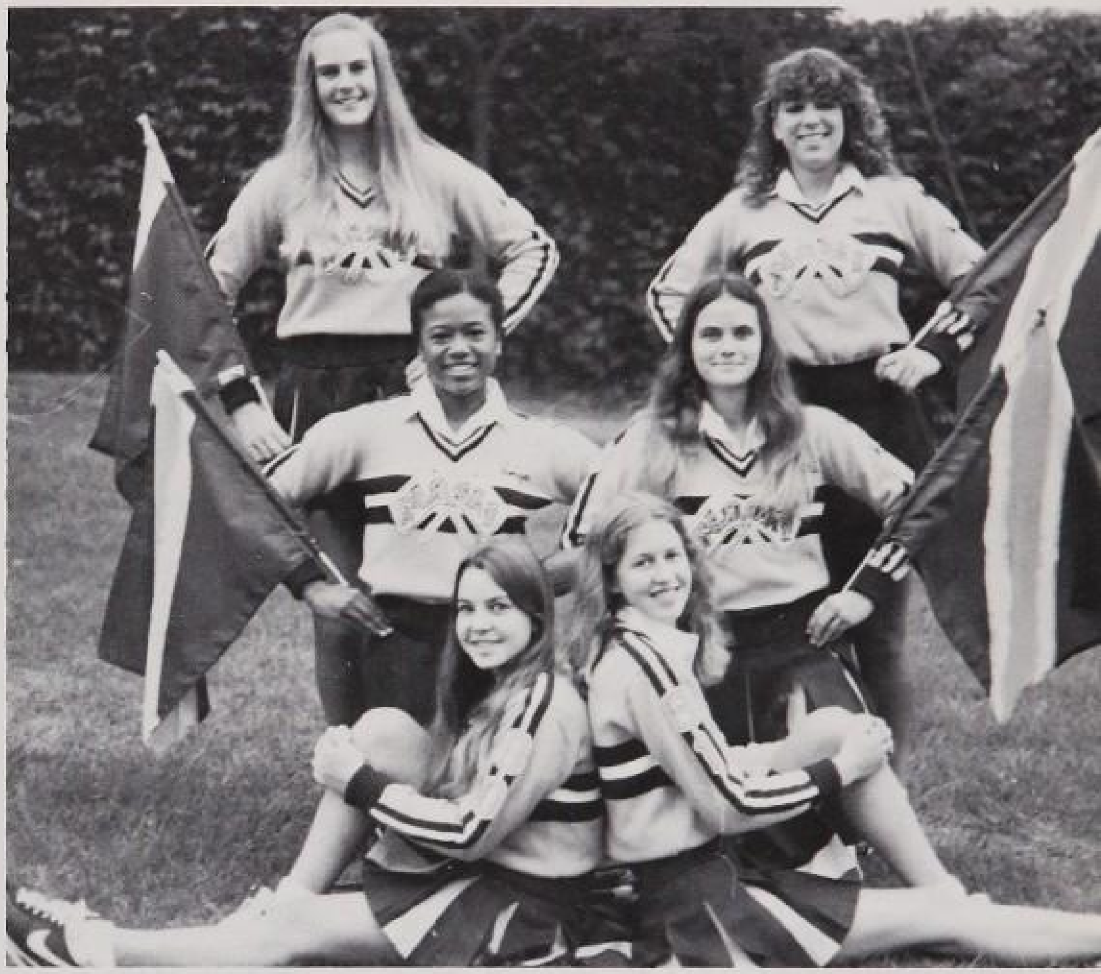


The 1980-'81 Songleaders represent school spirit in a different way than the Yell Leaders in that their routines are not only spirit-raising, but incorporate certain aspects of dance as well. Their homecoming performance was outstanding in addition to their routines at other pep rallies and games. The songs are: (l-r) Kim Collier, Liana Natzler, Amber Gilbert, Luan McElroy, Christine Nichols, Sylvi Kutz, Stacie Wright, Cindy Justice, and Denise Daly.

Flag Twirlers

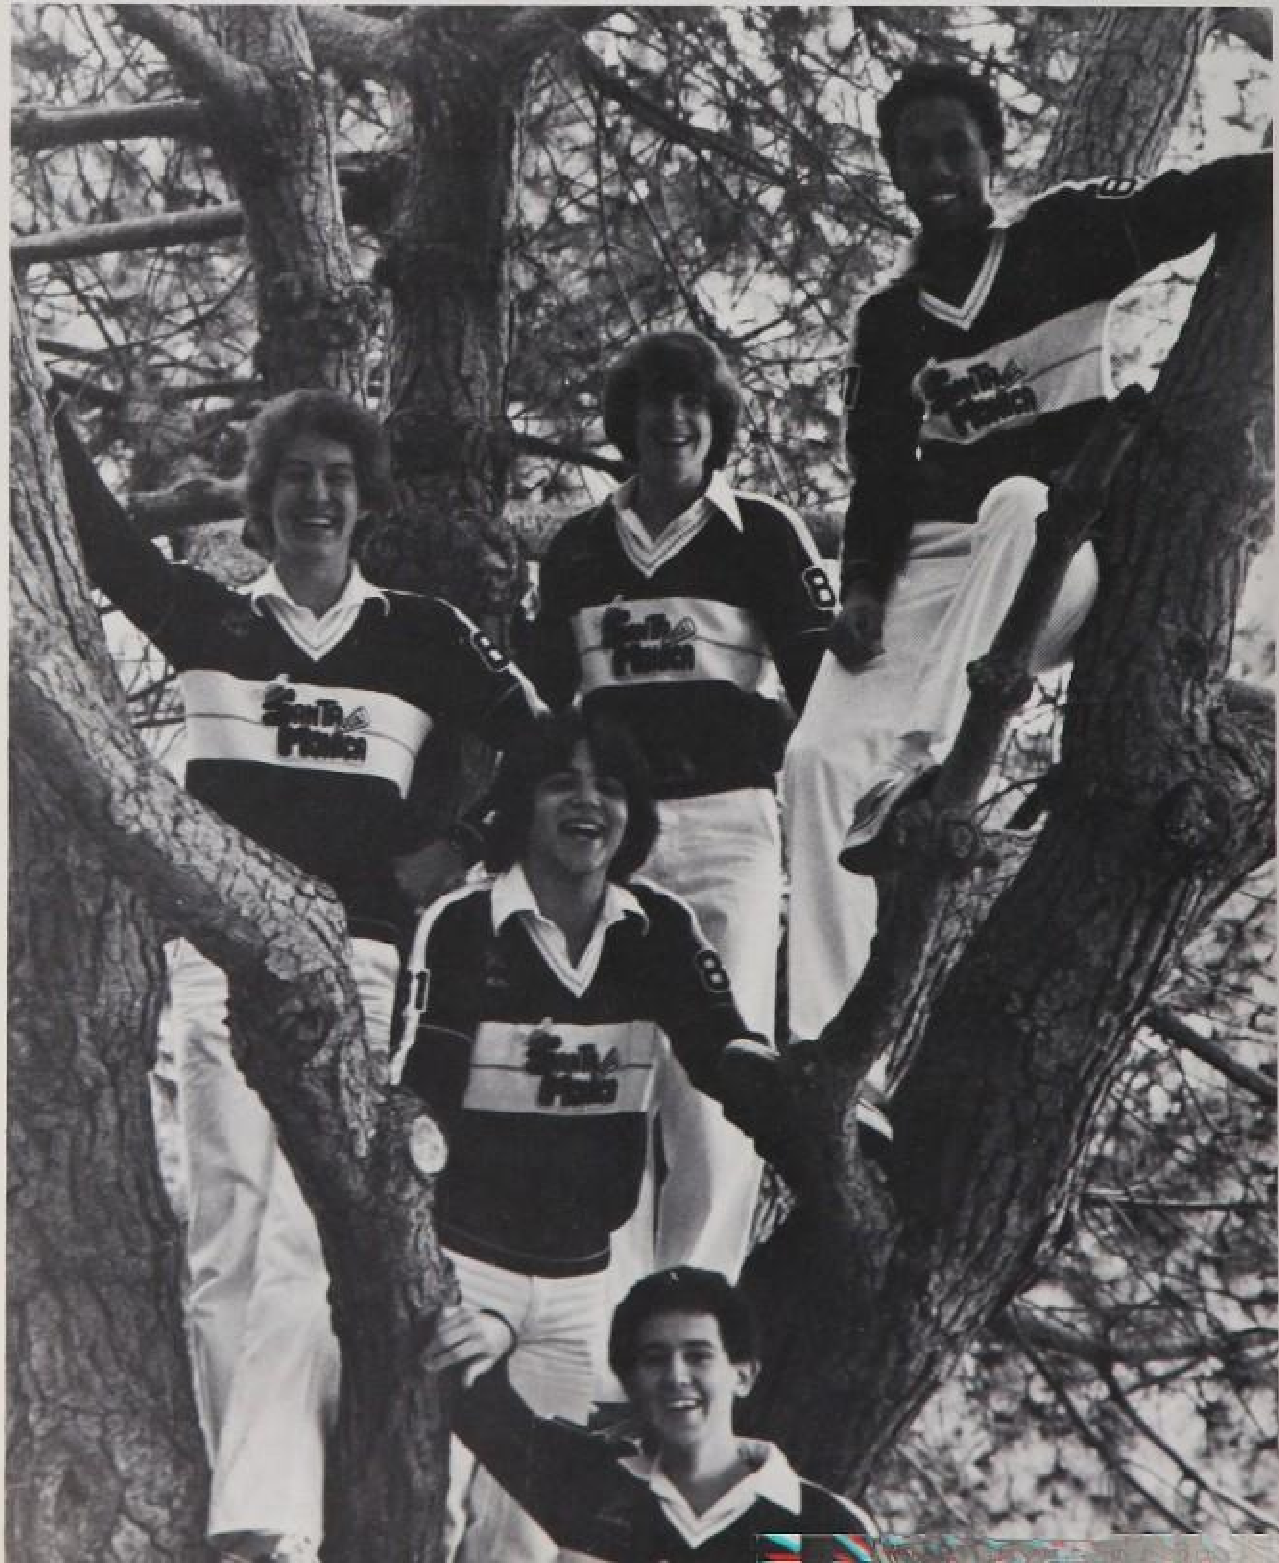


The Samohi Flag Twirlers are unlike other spirit leaders because of their highly specialized routines. It looks easy to spin a set of flags, but it requires dedication and hours of practice. This year there are six Flag Twirlers compared to last year's team of only three. These girls perform at games and pep rallies and work closely with Ms. Rodinoff making up their original routines. The Flag-Twirlers are: (l-r, top) Leslie McGowan, Allison Talaga (middle) Toiya Collins, Leslie Digby (bottom) Wendy Saltzman, Jayme Davis.

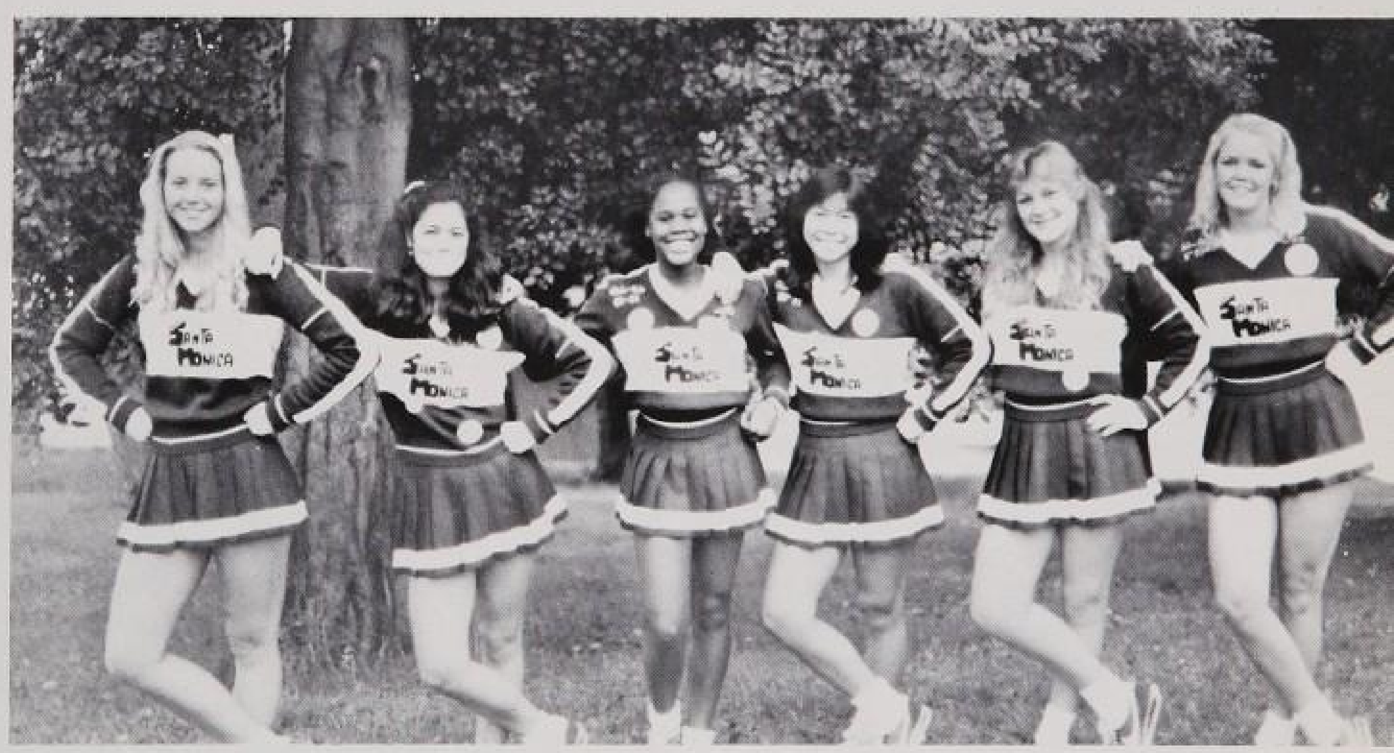


Boys' Yell

Participation in Boys' Yell has increased considerably since last year. These six maniacs have been seen at pep rallies and sporting events promoting excitement, energy, and chaos throughout the crowds. They have worked hard all year and prepared extensively for their homecoming routine at the pep rally, trying to create a special and different type of feeling than ever attempted in the past. This year's Boys' Yell leaders are: (l-r, top) Darrell Clifton, Tim Allison, Jan Todd. (bottom) Jeff Schier, Rodney Franz. Not pictured: Scott Goldman.

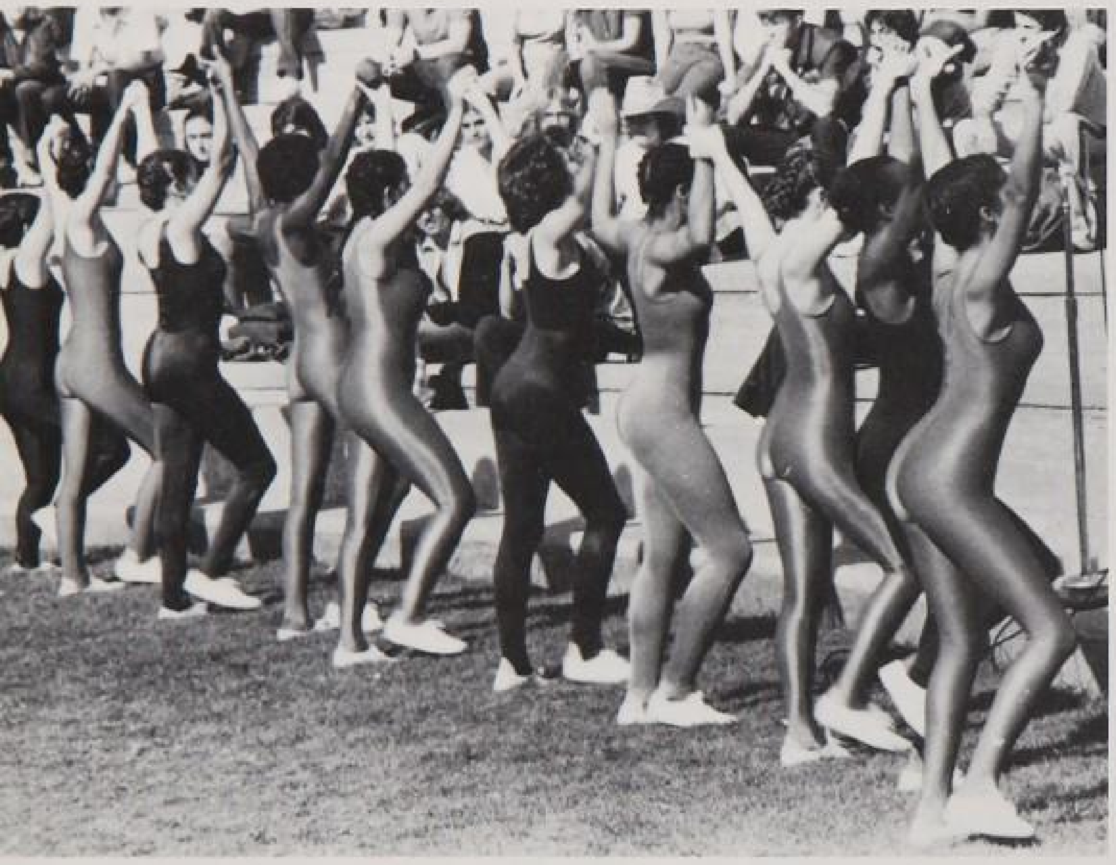


The Girls' Yell squad is incredibly energetic this year. They practice a great deal, and are highly talented in promoting school spirit and involvement-two declining aspects of Samohi over the past years. This year's Girls' Yell leaders are: (l-r) Janét Ehringer, Anna DeMeo, Kimell Garland, Susan Kaichi, Kathy Kerman, and Stacy Sadowski.

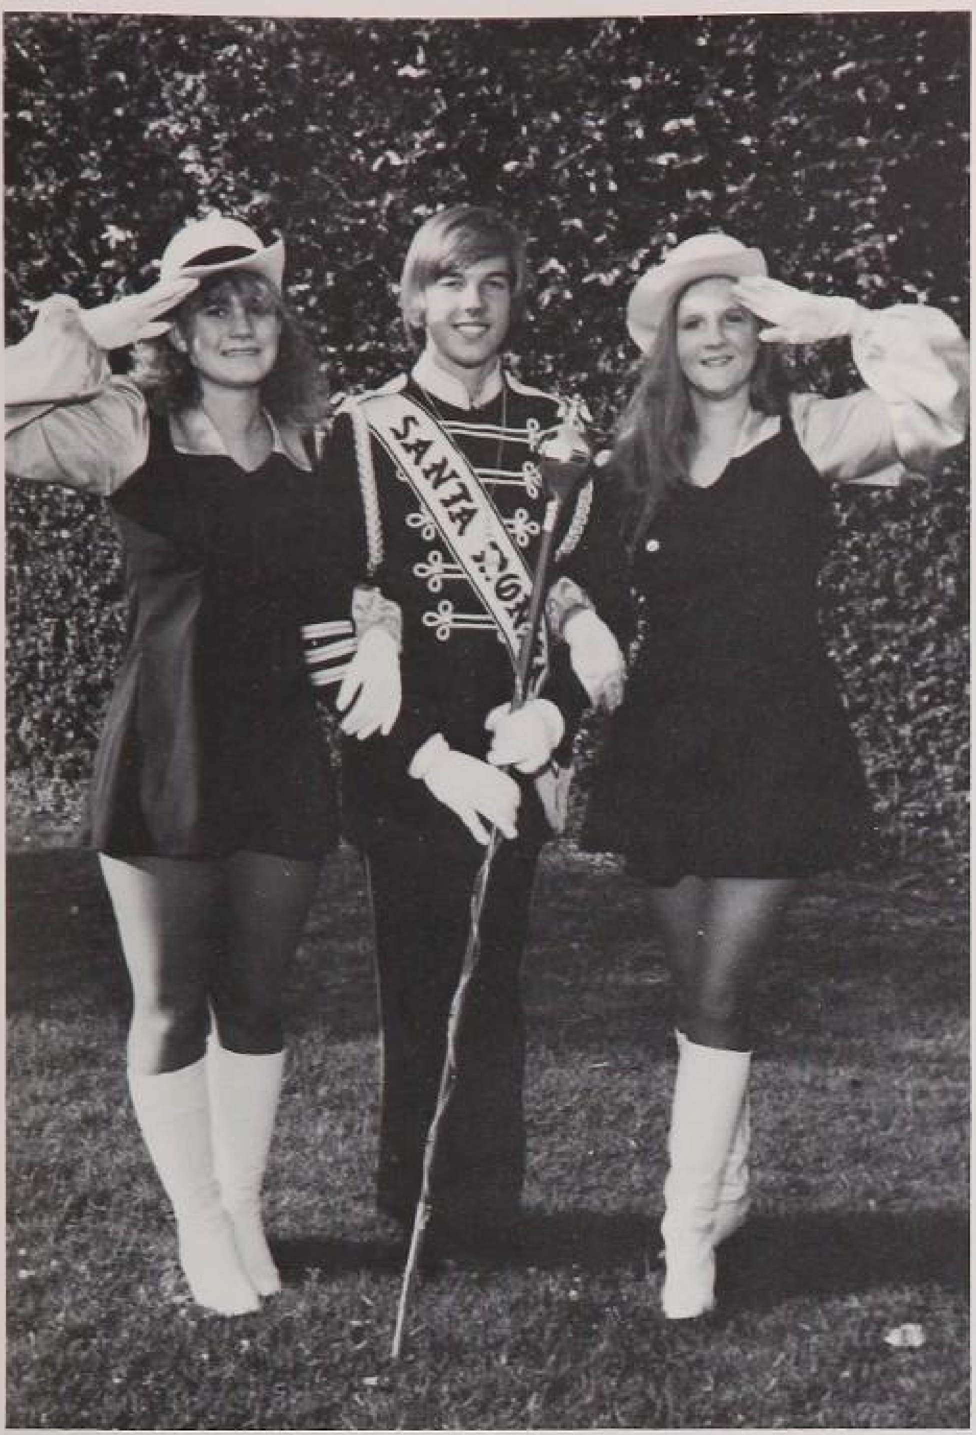


Girls' Yell

Dance Ensemble



The Dance Ensemble has been in top form this year. Headed by Ms. Armstrong, this group of enthusiastic and talented dancers have performed at pep rallies and noon dance concerts. The members are: (l-r) Shaun Clark, Karen Parsons, Michele Cole (Captain), Karen Grant, Jenee Gravino, Teri Matthews, Nadine Hernandez (Captain), Kelly Mickens, and Karen Goldman.



CAPTAINS

''Mr. Hile is very strict. He never settles for second best. When we do something, we do it as a unit, and we do it with class!'' exclaims one member of the band. Their dedication and perserverence really pays off, as everyone who has ever heard this superior group knows.

A significant change occured this year in the Band's format. They have added Tall Flags to their group and now practice, compete, and function as one unit: The Samohi Marching Band. The captains of the Band are: (l-r) Devon Brown, Chuck Hiatt, and Bridget Brayman

Madrigals

Madrigals: Debbie Barr, Greg Bruno, Lisa Butterfield, Debbi Daly, Jeanine Davis, Robert Downy, Erik Filkorn, Brian Garner, Randy Giberson, Mann Gruber, Nadine Hernandez, Nancy Hough, Kristine Kint, Kathy Livingston, Jim Maresca, Don McLean, Adriana Mora, Becky Reeves, John Weideman, Beth Wiggins, Roger Wilcox, Todd Williams.

This select group of singers has performed throughout the year, beginning with the November music assembly and an Invitational Madrigal Festival at Cal State L.A. During the Christmas season, they provided entertainment for many dinner meetings, service clubs, and community organizations around Los Angeles, Beverly Hills, and Santa Monica. They performed in a Bach and Baroque Music Festival in February and sang in Stairway of the Stars and for the State Convention of Latin Clubs in March. As well as participating in the Spring Music Concert here at Samohi, they served as host for a Madrigal Festival in June.

Again this year, both the Viking Chorale and the Madrigals performed a most beautiful Christmas Concert which was greatly appreciated by many. Viking Chorale also performed in "Stairway to the Stars", with the special guest conductor Mr. Howard Swan. In May, they concluded their singing year with the annual Spring Concert. Overall, the Viking Chorale and the Madrigals have had an excellent and most fulfilling year.

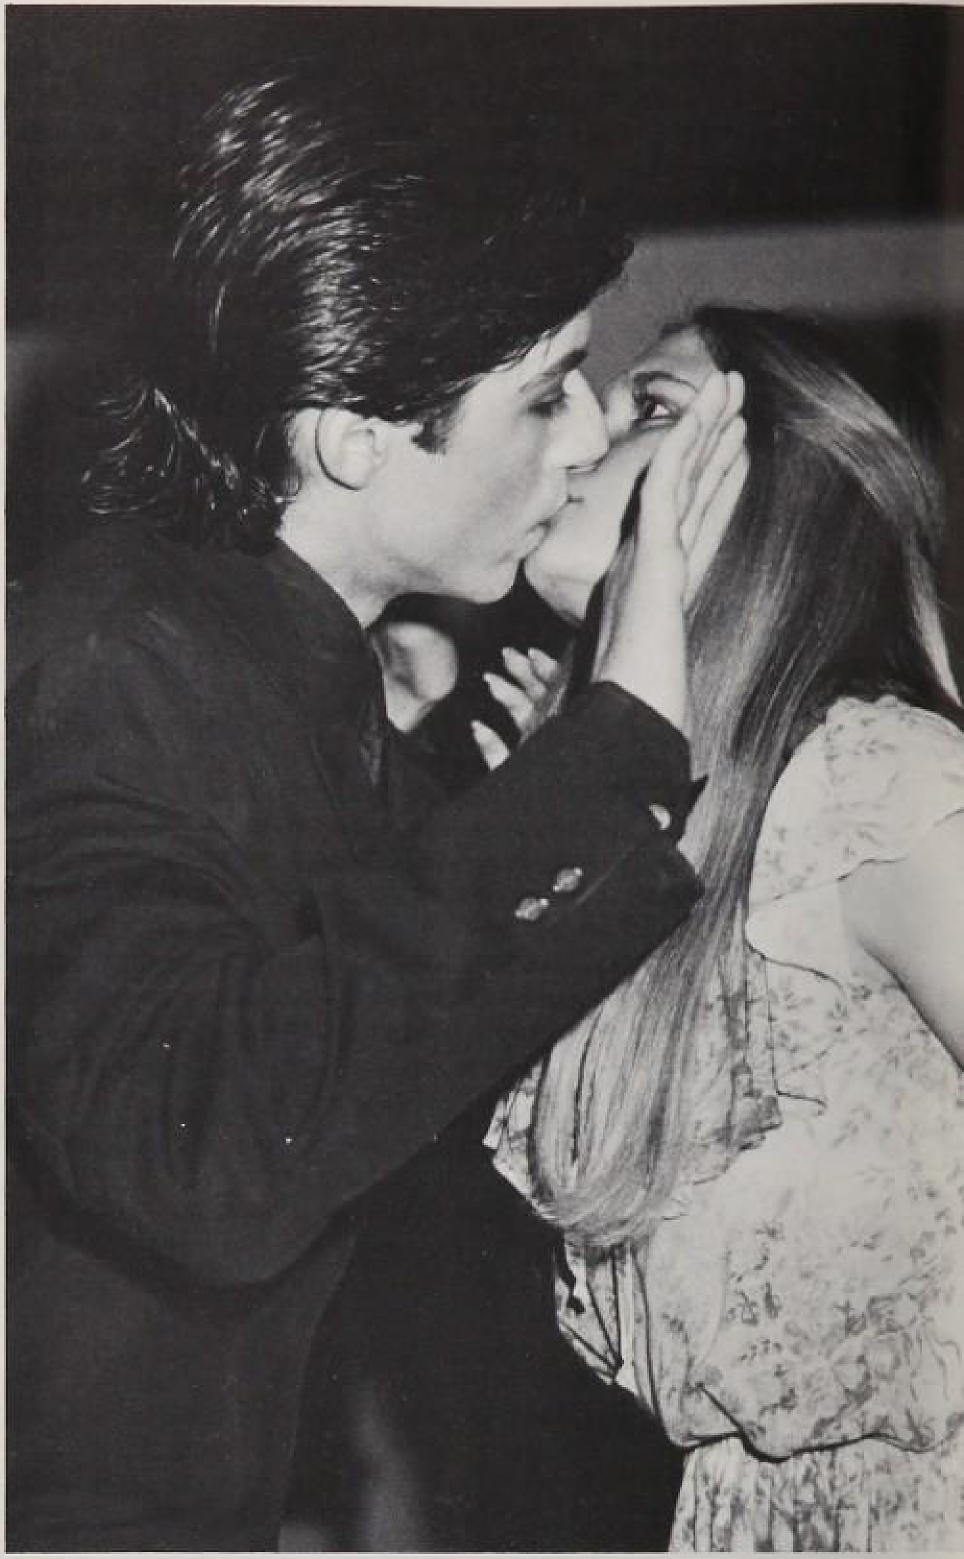
Theater Arts "The Enchanted"



We in Theatre Arts have but one goal: excellence. The Drama Club is an extension of the classroom activities, in which we try to involve all parties in the creation of productions. In Theatre Arts, equal time is given to the ''arts'' as well as the ''theatre.'' All products from our efforts are artistic works of dedication and study. We try to bring as many people in the school and surrounding community to the plays so that all may participate in the intimate atmosphere of camaraderie under art and spiritual involvement with the people one lives among. The stress here is upon the encouraging of everyone to become involved with the theatre. New members are therefore urged to join.

The SAMOHI

This year's budget for the Samohi staff was cut in half, changing the Samohi from a weekly to a bi-monthly paper. However, the high quality of the award-winning paper was not reduced a fraction. In fact, the innovative staff has raised enough money on their own to produce extra issues.

The Samohi Forensics Team, coached by Linda Stones, has grown dramaticaly over the past three years from a team of under ten members, to one of over forty. GRIDDERS HUDDLE UP FOR PLAYOFFS

The Varsity Football Team fared well in their undefeated 1980-81 season. With their usually tough Bay League schedule, the Vikings managed to defeat the strongest teams in the league.

Stunning the South Torrance Spartans, returning player, Larry Willis ran the opening kickoff 98 yards for the first touchdown of the season. Great offensive strategy resulted in a 28-7 victory over the Spartans. Yale Keckin, Tony Phillips, and Bill Niles were all key players of the Viking offense. Other prominant players include Stephon Simpson and Gary Young who both contributed to the Vike's 34-13 victory over the North Torrance Saxons.

Although the Vikings lost in the second round of the playoffs, it was the first time since 1976 that they had been victors in the first round. The first round victims, the Channel Island Raiders, were slowly put out of their misery 28-22. With two minutes to go in the second round game with Arcadia, Head Coach Tebb Kusserow called for a two point conversion which failed. This costly error allowed the Apaches to squeak by the Vikings 28-27.

J.V. And Sophomore Finish Successfully

The J.V. and Sophomore teams finished league play with records of 5-6-7 and 8-7-3 respectively. There was a great deal of talent on both teams.

Rakesh Lal lead the J.V. squad as the leading scorer and Julio Montoya should be given recognition for an outstanding year of playing. Kenny Nelson, Munaf Shamji and Gene Corderro all had a great season as they moved up from the sophomore team.

Ryan Dwight, Norman Griebsch, Daniel Rocha and Sean Strache lead the sophomore kickers with their exceptionally fine playing. They will be promising players in the future soccer program.

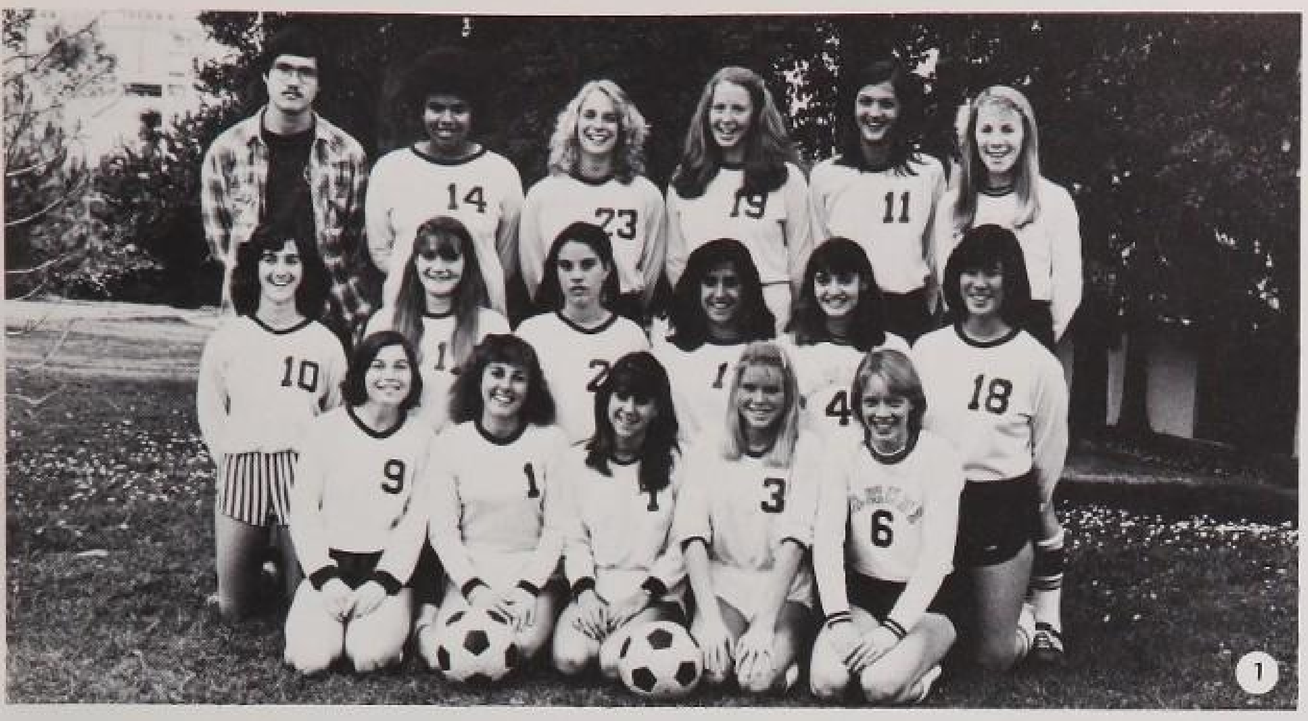
Girls' Soccer On Their Way



After two years of effort, a Girls' Soccer Team was finally formed.

Although their season was not a smashing success, they did the best job possible, and should be given credit for their fine efforts.

This was the first Girls' Soccer Team at Santa Monica High, and each girl contributed to her potential. Promising returning players include Amanda Whorf, Amy Mateer, Laura Cunningham, and first team All-Bay leaguer, Liz Masakayan. Liz Masakayan also picked up the MVP award while Deane Dealy was voted Most Improved. The future looks bright for the Lady Kickers and they should be on their way to success.

The Varsity Basketball Team managed to make it into the Bay League Playoffs again in 1981. The Vikes, who had a 10-4 Bay League record (13-9 overall), finished third in the league to Palos Verdes and Rolling Hills. The Cagers were defeated in the first round of the CIF Playoffs by the Cypress Centurians who had a 9-1 league record and a 20-4 overall record.

Some of the game's outstanding players included Montel Hatcher, who averaged 28 points a game over the season, and Aaron Brown, another aggressive player. Being that four of the starters were Juniors, Head Coach Gary Luttel predicts an outstanding year for 1981.

Highlights of the Sophomore Cagers season includes winning the Mira Costa Tournament, and placing third in the Torrance Tournament. The Cagers lost four of their best players due to unfortunate circumstances, with four games left in the season, but the team managed to pull through anyway.

Leading the team with the most points per game was Darren Willis, with an average of 23 per game. Willis also received the Most Inspirational Award. Jeff Williams won Most Improved, and Mike Olivier won Best Defense.

It's better late than never as the Junior Varsity Basketball team clinched the Bay League Title in 1981. The Vikes, who had no preseason games, struck up an outstanding 12-2 League record. They then advanced into the playoffs, and defeated West Torrance.

Leading scorer, guard Jeff Eason, averaged 21 points a game. Other outstanding players included Lawrence Wells, Bill Cacciatore, and Steve Fleming, who are all looking forward to contributing to next years' Varsity team.

The Lady Cagers started off the season slowly, but picked up ground as the season went on. They had tough competition in their 4A division, and handled the pressure well. Their overall record was 10-12 and their bay league record was 7-7.

The team had only three returning Varsity players, Michelle Masakayan, Liz Stern and Karleen Jones. Karleen Jones was named to the All Bay League 2nd team and made the All Tournament Team at the South Torrance Tournament.

Sophomore Kim Neal was another dominating force for the Lady Cagers. She made All-Bay League 1st team. Michelle Masakayan, Liz Stern and Sophomore Gina Satriano were also to credit for the lady cagers fine teamwork.

Ranked 9th at the beginning of the preseason games, the Varsity soccer team worked their way up as high as 3rd place and finished 7th in the powerful Bay League.

The Vikings got off to an exceptional start, winning 11 out of 12 preseason games. This accounted for their 3rd place title in the South Torrance Invitational and the championship in the Santa Monica Westside Tournament. At South Torrance, Gary Green and Mark Charlton were named to the All Tournament Team. At the Santa Monica Tournament, Mark Charlton was named Most Valuable Player, while All Tournament Team awards were given to Martin Becerra, Jose Garcia, Gary Green and Leo Marchis.

Softballers Make Debut In Bay League.

This year, the Varsity Softball Team will be in for some tougher competition as they moved up from the Pioneer League to Bay League. There are eight returning players including Heidi McCarthy, Martha Devine, and Kristy French, the only three players on the team who have played for three years. Returning pitcher, Lori Johnson is doing well this year, along with new pitching talent from Kim Moore. The team is under the supervision of Head Coach April Frank and Assistant Coach Bob Haber, who are expecting the girls to play outstanding ball and advance into the playoffs.

New Coach Keeps Team Afloat

Considering it was Bill Dederick's first year as Samohi's coach, he achieved some outstanding results this year. The team lost only two meets throughout the season, and finished a close second at Bay League Championships. Four out of six Breaststrokers qualified for Bay League Finals. Five swimmers qualified for C.I.F., and four school records were smashed—Bob Martin in the 100 Fly, Hector Chao in the 100 Back, and 200 I.M. and the Varsity Medley Relay Team. However, Bill Dederick's most outstanding achievement is that he made a winner out of every swimmer.

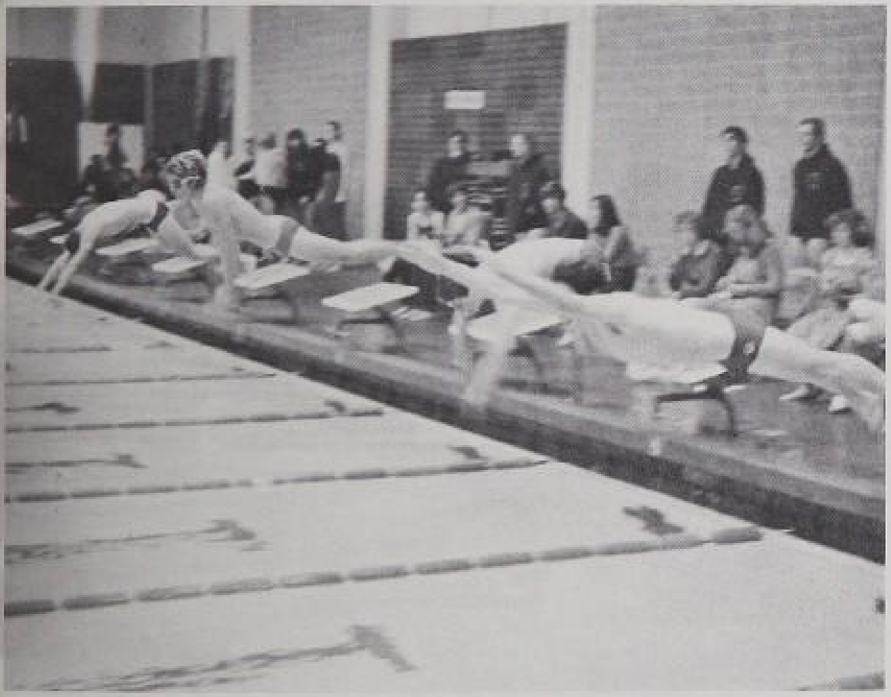
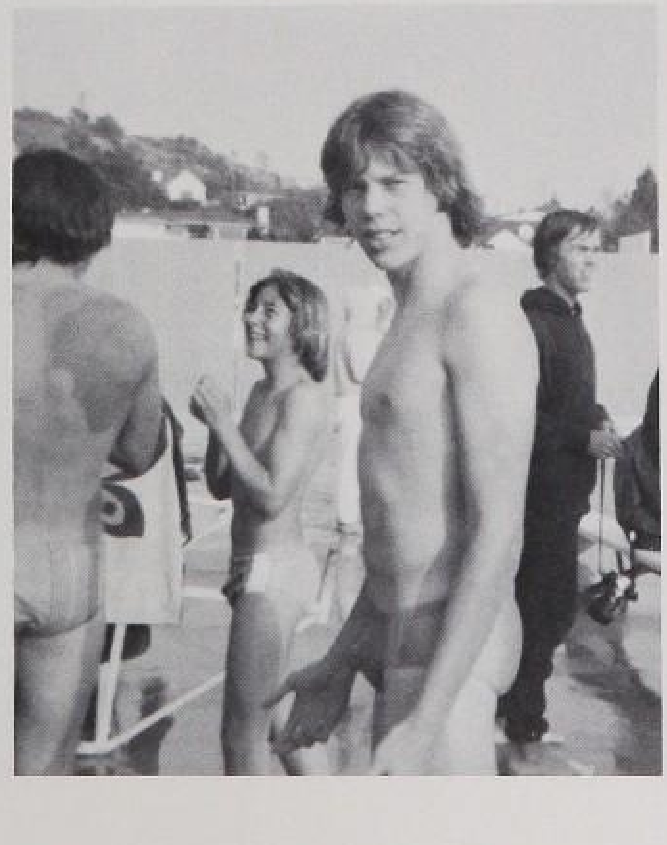
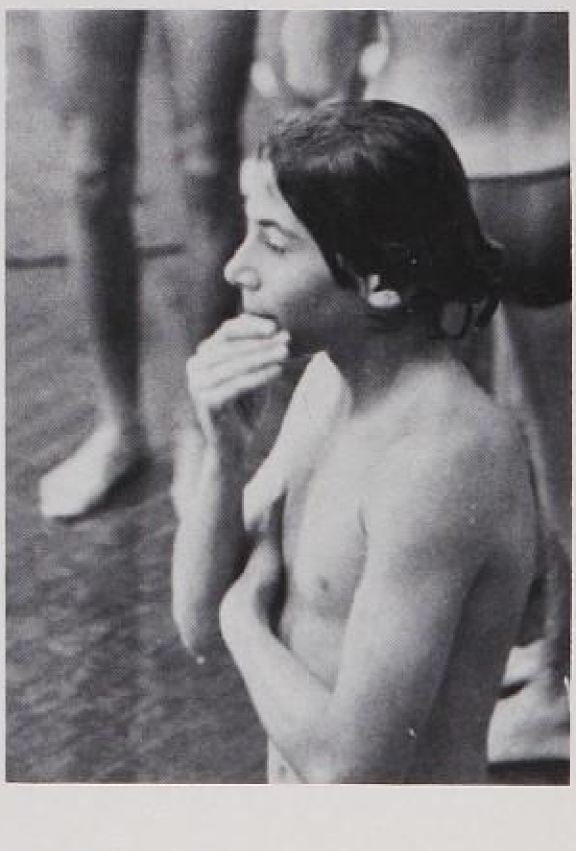
Sophomore Team Diminishes

The Boys' Sophomore Team was outstanding this season. They could have easily won the Sophomore Bay League title, but sophomore stars Richie Smith, Ori Alter, Paul Devine, and Kevin Horst opted for Swim Varsity, and helped strengthen the Varsity Team.







Varsity Girls Wade Through Until Finals

Although it lost many of its members throughout the season, by the time Bay League Finals rolled around, the team was ready to win. There were impressive performances by Marcela Svanda and Jessica Wilkins, who qualified for C.I.F., and Deanne Dealey, Laurie MacArthur, and Janet Ehringer, who broke the school record for the Varsity 50 Freestyle.

The loss of ten seniors will hurt the team next year, but it will be strengthened by this year's talented sophomores.

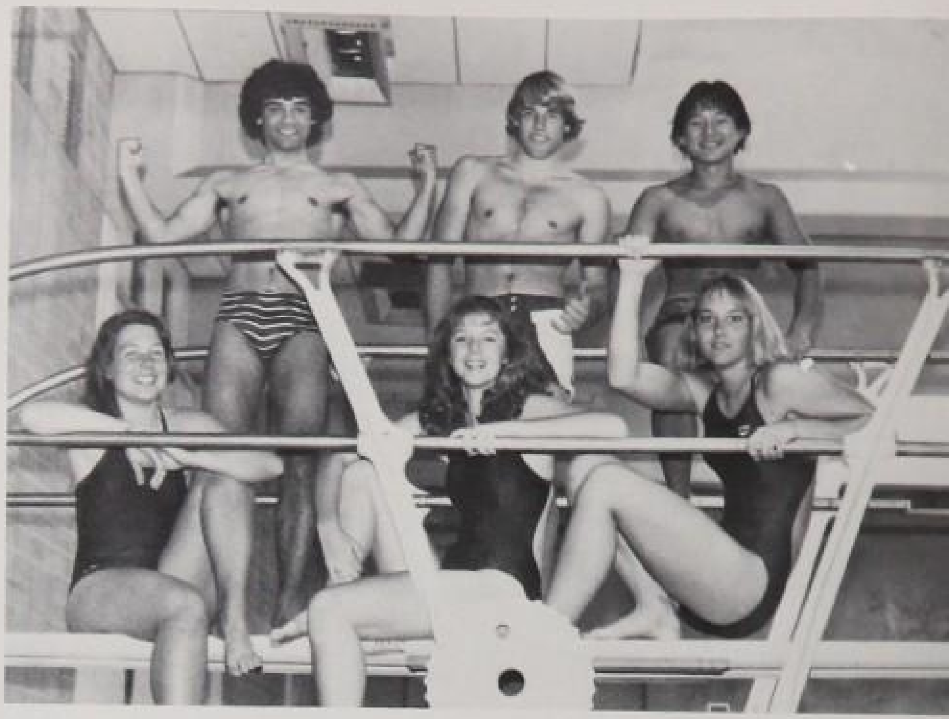
Sophomores Swim To Success

The Sophomore Team had a very successful season. Many of the swimmers gained experience while swimming with the Varsity Team. Some of this year's stars were Alison Hastings, who excelled in the 100 Freestyle, Alex Giannakopolous in the 50 Fly, and Diane Ballard in the Breastroke and Backstroke events.

Divers Plunge Into Fairly Good Season



After a lot of hard work, and a very successful season, the Diving Team did rather disappointingly at Bay League Championships. However, two days later, Janet Ehringer qualified for C.I.F. at an invitational diving meet in Irvine. Although the team will lose seniors Janet Ehringer, Allison Weirick, and Rasol Parvarsh, teammates Lisa Weaver, Tony Sonsini, Matt Colapinto, and Jeff Cooper will most likely star on next year's team.

Golfers Aim For Hole In One

The 1981 Golf Team looks very promising this year. With players Mark Dendecker, Peter Mow, Mike Jones and Rodger Cohn, the vikes are expected to make the playoffs. Competition in the Bay League, however, is very tough this year. Nevertheless, Mark Dendecker remains undefeated in individual play.

Boys' Tennis

Led by last year's C.I.F. qualifier, Jon Nissley, as well as seniors Jim Eserts, Bill Murray, Brook Townsand, and David Scott, the Boys' Tennis team is off to a great start. Their great so far is 3-1 in league play. Although the team suffered the loss of two varsity players, and has been plagued with injuries, it has fared better against opposition than it did last year. Team members are confident that they will make it to the C.I.F. team playoffs this year. The junior varsity, is very strong, and has supported the varsity with substitutions when the varsity players are absent.

Boys' Track

Individual athletics require a great deal of time, effort and dedication — something very few students are willing to sacrifice. Although several boys are devoted to the sport, the Track and Field team lacked unity as a whole.

Coach Chris Hieatt feels competition is tough in the Bay League, but a few individuals have the potential to go further into the playoffs. Roosevelt Roby, who has already broken the school record in the 220 with a time of 22 seconds flat, remains the team's top sprinter. In the strong field events, Chris Osti firmly holds the lead in the discus throw and the shot put.

With more than half the season left, the Tracksters still have a chance to show some of their talent.

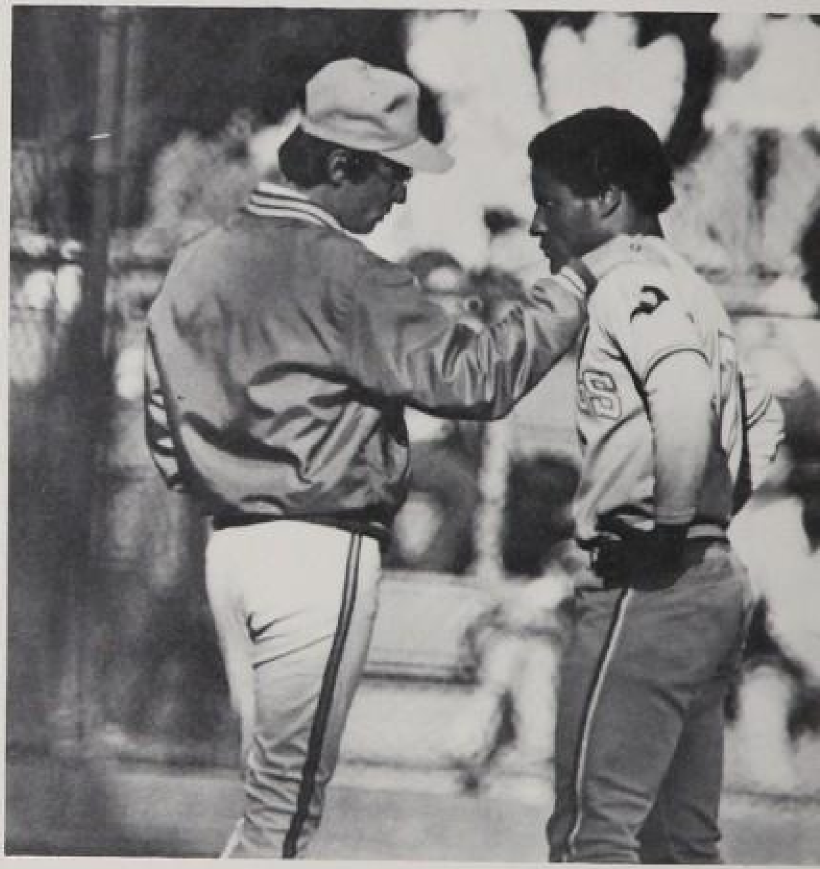
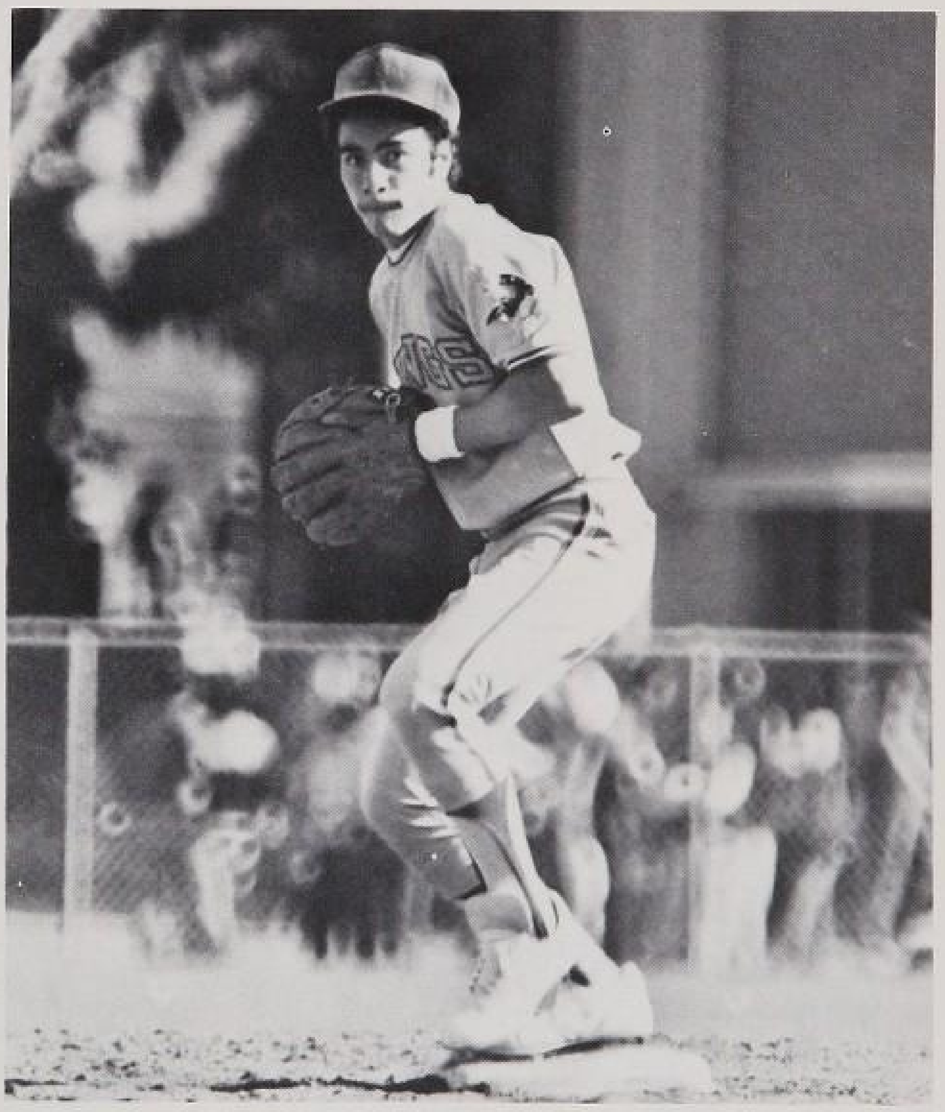
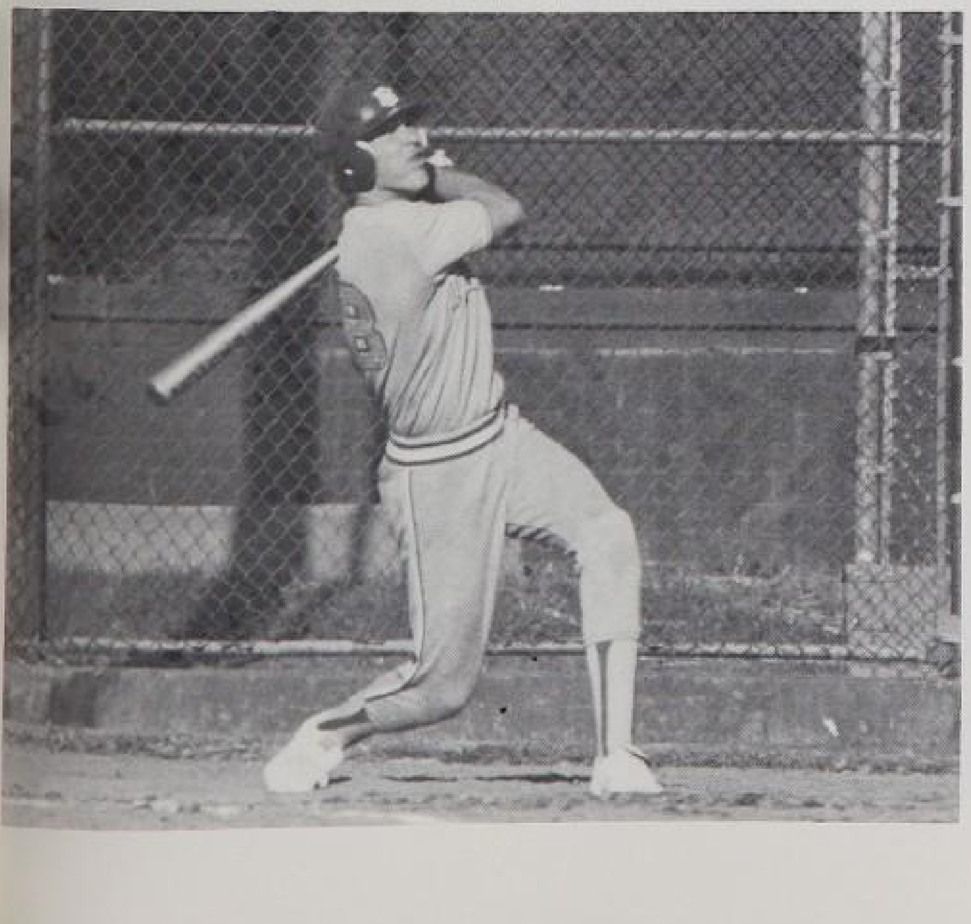
Niners Ready For Playoffs

With the outstanding pitching skills of returning players Stephon Simpson and All Bay League player Neal Newns, this year looks to be a promising one for the Varsity Baseball Team. Other returning players include Kenny Peterson, Richard Dewar, and Rick McGeagh. Head Coach Chuck Ice states that even though pitching is a big part of the game, the Vikes are somewhat inexperienced in the catching and shortstop positions. Despite those weaknesses, Coach Ice is looking for a spot in the CIF playoffs.

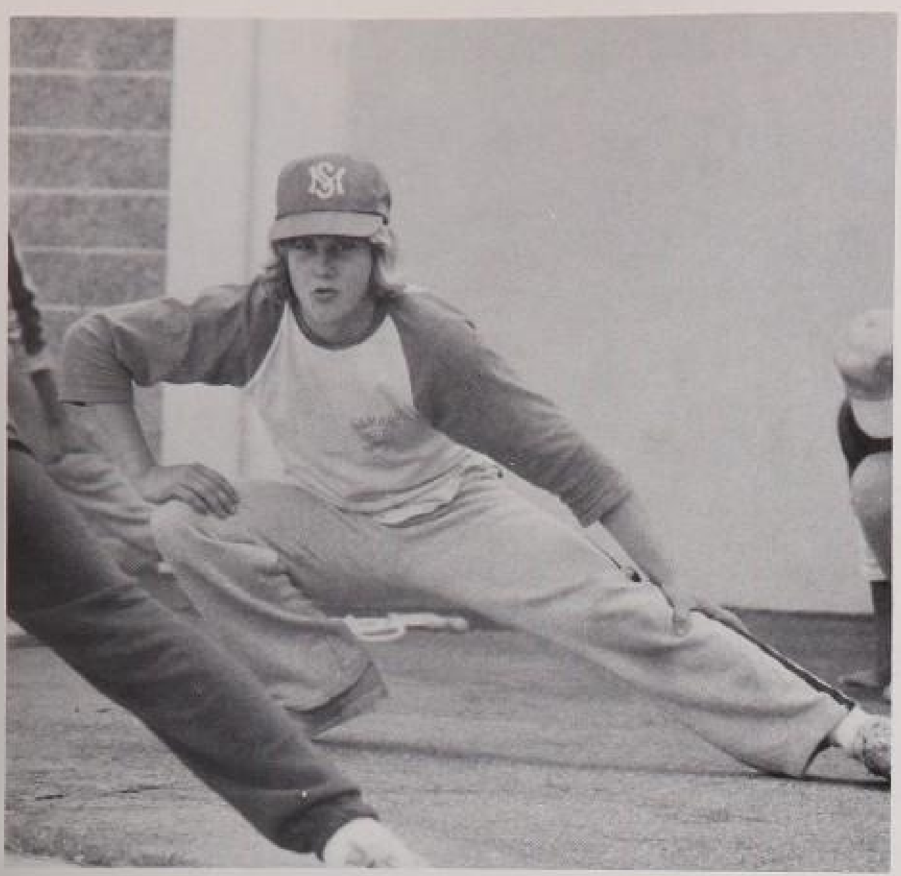


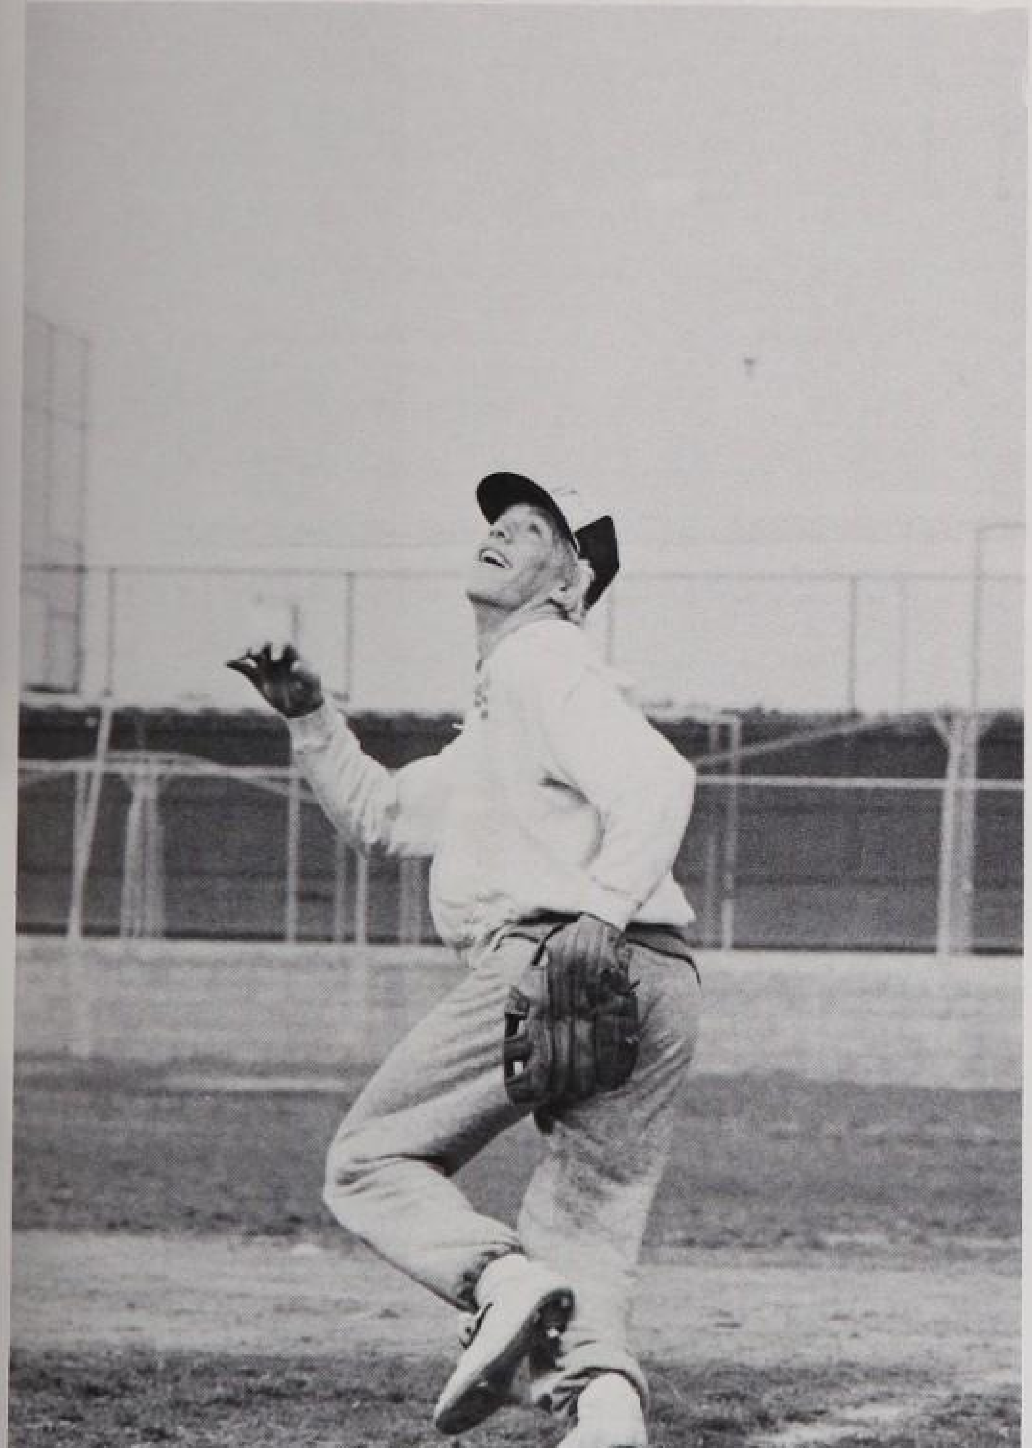




J.V. Baseball

The J.V. Baseball team is looking forward to an impressive year in 1981. With the talents of Gary Bloor, Mark Blatzdorf, and Tom McNutt, the Vikings hope to capture a Bay League title. Head Coach Don Sealy says that most of his players are going to be of great help to next year's varsity team.





Girls' Track Doesn't Meet Full Potential

Despite a number of injuries, the 1981 Girls' Track team is struggling to do its best. An inadequate number of competitors in each event however barred the girls from past victories.

Of the Lady Tracksters, there is a select few who show potential and true dedication. In prticular, Angie Turner was noted by Coach Chris Hieatt for her speed.

The Year In Sports

Samohi's athletes of 1981 should be praised for all the hard work and time they've put into making Samohi's athletic organization one of the most successful in Southern California. This year proved to be one of the best, as many teams advanced into the playoffs. With most of the athletes putting in long hours to gain much needed experience, Samohi is looking forward to another outstanding year in sports in 1982. Good luck to all the athletes in the seasons to come.

POSTURE WEEK

Sollee, Forbes, Reyes, Marquez, Faughnder, Danielson, Unger, Meals, Lorenz, White, Frishman, Siratt, McCoy, Hamlett, Hurtado, Jepson, Lane, Lever, Leigh, Morris, Zahn, Bivens, Cronin, Gibson, Hoffman, Jacks

Posture Week at Samohi is a great event when Sally and Sammy Samohi strut their stuff in order to win their posture tags. The students must have good posture sitting, standing and walking. Gym teachers eliminate to thirteen boys and thirteen girls and from these, four winners are chosen.

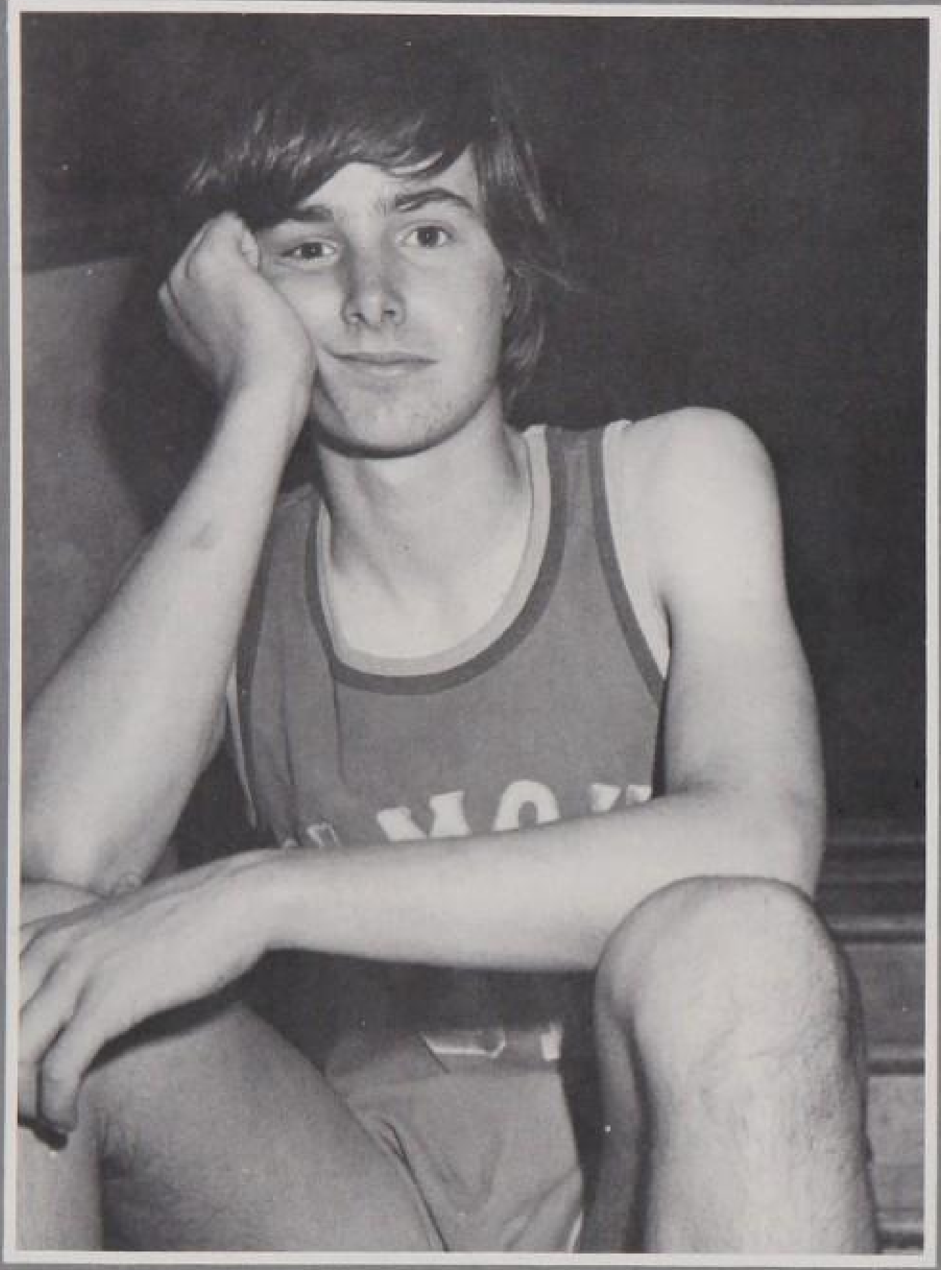
The week is sponsored by Miss R. O. Featherston and Mr. J. R. Thomas and was opened this year by a program put on by the Army under the direction of Major Robert Kennedy of the Ocean Park Recreation Center. The value of good posture to the soldiers was emphasized in their work with guns, trucks, etc., and the contrast between the new recruit and the trained soldier was brought out in a comedy skit by Sergeant Thorpe. Lieutenant Slauthman M. C'd.

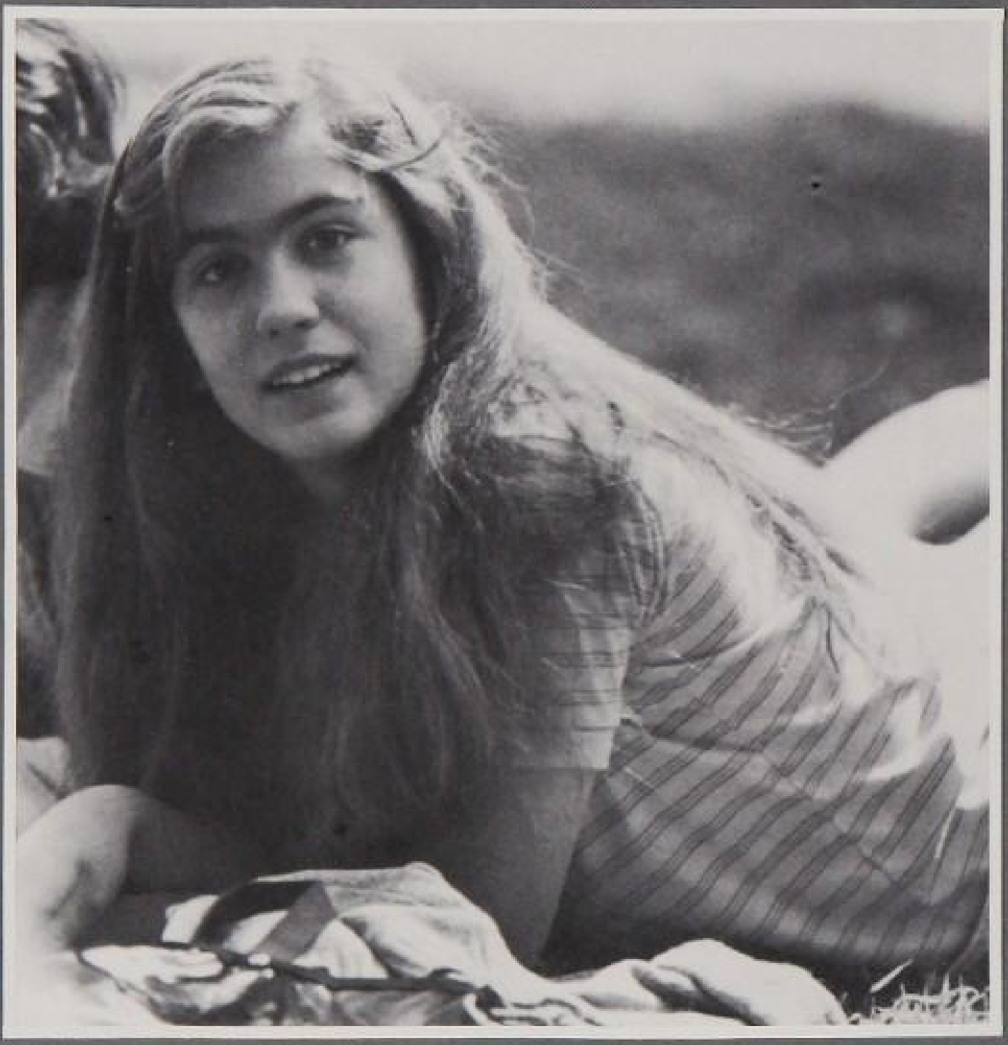
Clever slogans decorate the school such as: "Good posture is without a doubt something to be glad about." "For the defense of our nation, don't put good posture on a ration." "You won't hear 'My Devotion' unless there's grace in every motion." "Always be straight and don't forget you don't want wings like Angels yet." Some of the art students and camera fiends go genius on us and display their talents with posters.

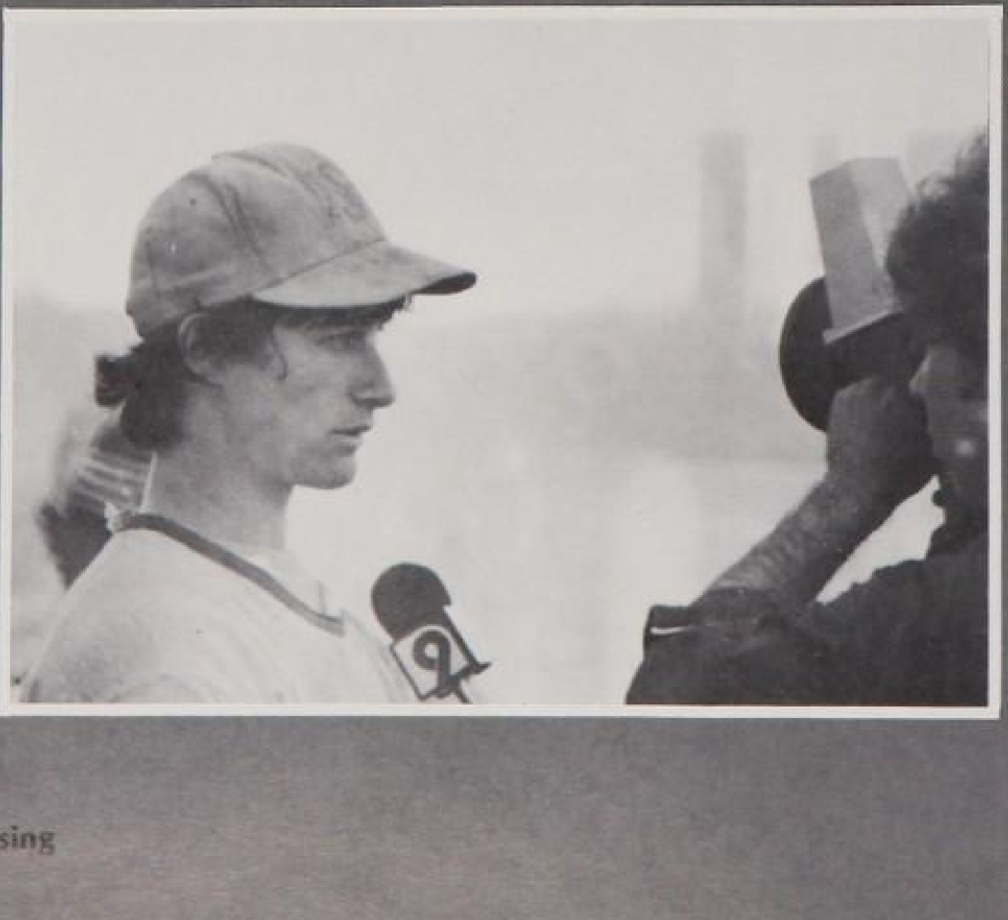
The winners: Joyce Sollee and Bill Hamlett, first; Norma Forbes and Raul Hurtado, second; the runners up, Marcey Danielson, Babbette Faughnder, Elaine Frishman, Vera Lorenz, Micky McCoy, Margaret Meals, Macaria Reyes, Vivian Siratt, Paula Unger, Eleanor White, Perry Bivens, Jim Cronin, John Gibson, Stan Hoffman, Bob Jacks, Don Jepson, Don Lane, Harold Lever, Phillip Leigh, Dick Morris, Tom Zahn, were introduced at a super-duper noon dance which concluded the Posture Week.

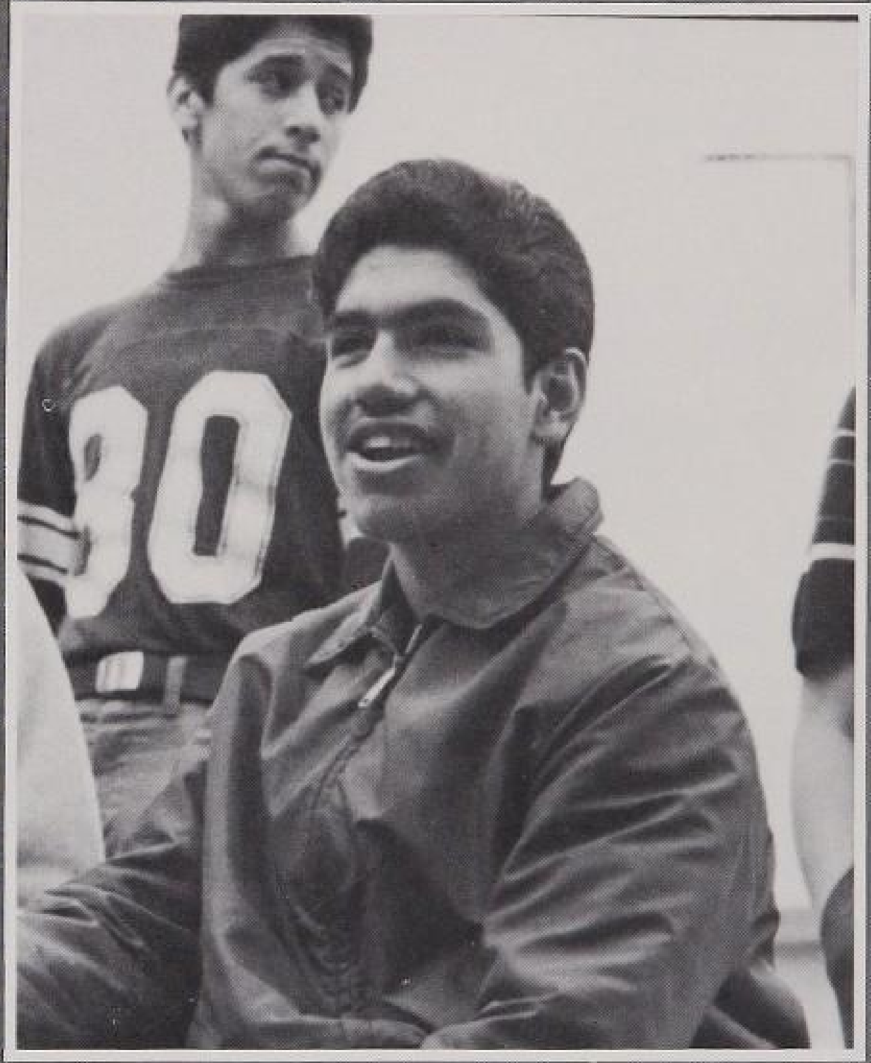
During the 1940's, Samohi students took part in a tradition known as ''Posture Week.''

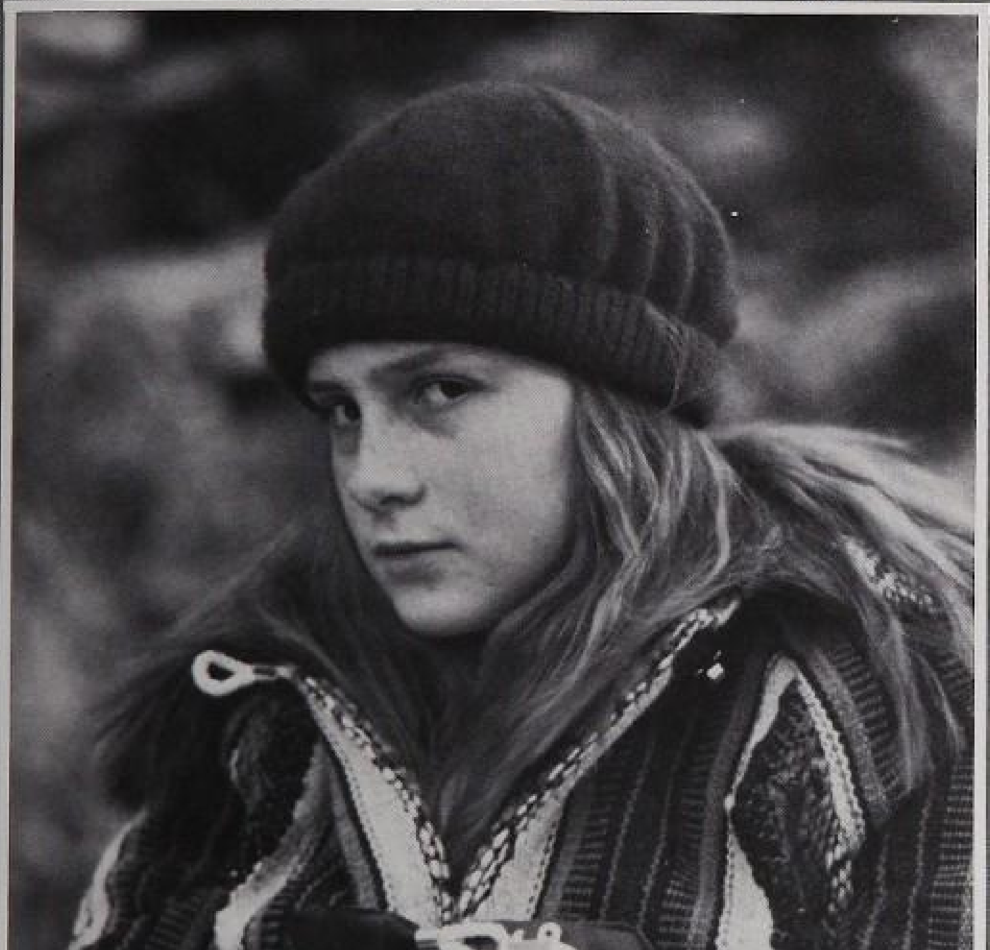
Along with ''clever slogans'' and ''the super-duper noon dance,'' mentioned above in this exerpt from a 1943 Nautilus, the highlight of Posture Week was a mandatory assembly held in Barnum Hall. This assembly consisted of lectures by various military officials, a comedy sketch, and a silhouette presentation showing good and bad examples of posture.











Dedication

On December 8, 1980, John Lennon was shot and killed outside of his New York City home. He had just been approaching the ''Dakota'' with his wife, Yoko Ono, when he was senselessly gunned down.

Many Samohi students were affected by John Lennon's murder and showed their grief in many ways. Grafiti such as ''Give peace a chance,'' ''John Lennon forever,'' ''We love you, John,'' appeared on bathroom walls, as well as school buildings. While John Lennon's memory is hardly suited for bathroom walls, it was a means of expression. Some showed their respect by wearing black clothes or arm bands in the days following Lennon's death.

Although not all students went to such extremes, as those mentioned above, the feelings of shock, puzzlement and grief on the student body.

Much of the world reflected this impact as well. Newspapers, magazines, radio broadcasts, network programs, and various memorablia focused, sometimes exploitively, on Lennon's murder.

While clearly overshadowed by the tragic incident itself some positive results stemmed from Lennon's death People were brought together through a series of vigils including a personal, ten minute silent prayer for John Lennon's soul, conducted at this widow's request.

Because of the circumstances of Lennon's death, the issue of gun control gained much added support.

People realized — perhaps too late — the ideals of peace, both inner and world wide, John Lennon stood for. Keeping this in mind, we would like to dedicate this year's Nautilus to the memory of John Lennon for the influence, faith, and message of hope he has given our culture.
